There is much going on in DC this week. Congress is feverishly trying to accomplish a number of goals before breaking for the August recess. The House plans to break for August this Friday, July 31 and the Senate plans to break the following week, August 7.

This update will provide you with information about:

1. The FY09 Appropriations Bills/Budget
2. Health Reform
3. HR 3221, the "Student Aid and Fiscal Responsibility Act of 2009"
4. Department of Education Proposed Rules on Student Loans
