Greetings
The Oregon Legislature convenes on Monday with the Governor delivering his "state of the state" address to a joint session of the House and Senate. If you are interested in listening to the speech, here is a link: http://www.oregonchannel.org/rams.htm

As in previous sessions, we plan to review all of the bills that are introduced and provide notifications to those at OSU who may be interested in them. If you are involved in any issues that you believe are likely to surface over the next six to seven months that you would like us to track, please do not hesitate to drop me a note and we will be sure to keep our eyes open.

On Monday, the legislative website will be updated with all of the new members and contact information, including information about the committees, agendas, bills etc.

As always, if you have any questions, comments or concerns, do not hesitate to contact me.

We are in for a wild ride. Tally Ho!
