Legislative "Old Hands" Assess the Session
2009 Legislative Wrap-Up Part One

with Speaker of the House Dave Hunt, Senator Margaret Carter, Senate Republican Leader Ted Ferrioli, and Senate President Peter Courtney

Oregon's 75th legislative session, held amid the worst economic recession in decades, recently came to a close. On July 31, City Club of Portland welcomes four of the most prominent names in the Legislature to discuss both the accomplishments and failures of the session.

Oregon **Speaker of the House Dave Hun**t, who represents Clackamas County's District 40, will review key initiatives regarding transportation infrastructure, health care reform, renewable energy and job creation. Portland's District 22 **Senator Margaret Carte**r, Co-Chair of the Joint Legislative Committee on Ways & Means, will outline how the Legislature crafted a combination of budget cuts and new revenue sources to balance the state budget. **Senate Republican Leader Ted Ferrioli**, of Eastern and Central Oregon's Senate District 30, will address the Republican role and reflect on how the results of the session affect small businesses and taxpayers. Finally, **Senate President Peter Courtney**, from the Salem-area Senate District 11, will discuss his own thoughts on the difficult decisions legislators faced this session.

On September 11 - Legislative "New Hands" Assess the Session: 2009 Legislative Wrap-Up Part Two

Citizens Read *The Right Mistake* by Walter Mosley

Wednesday, July 29, Doors open 5:45;
discussion 6:00-7:30
City Club, 901 SW Washington St.
Space is limited!
RSVP requested, 503-228-7231 x110, or amy@pdxcityclub.org

What motivates civic involvement at a grassroots level? How does this involvement progress from thinking and talking to action? Join protagonist Socrates Fortlow - and his friends and enemies - as they explore these questions at their "Thursday Night Thinkers Club." This short, exceedingly well-written novel is profoundly moving, thoughtful and full of action.

Final Friday
cork - a bottle shop

Friday, July 31, 2009
4:30 PM - 6:00 PM
cork · a bottle shop
2901 NE Alberta Street
Portland, OR 97211
Free and open to the public

July's Final Friday will gather at cork · a bottle shop, which features hand-selected wines from around the world. Cork has a strong focus on value-priced wines, with choices from around the world and right here in the Northwest. Cork "keeps its focus on supporting sustainable producers - whether they're certified organic, biodynamic or are just committed to sustainable farming and winemaking practices. "

During Final Friday, you'll meet new people, share ideas and hash out the local issues that matter. If you're already a member, bring a friend or colleague! If you're thinking of becoming a member or just want to get more involved, this is a great chance to talk with City Club staff and current members in a casual, relaxed environment.

There will be no Final Friday in August. Final Fridays will resume in September.

New Leaders Power Trip
Tour the Bonneville Dam and Klondike Wind Farm

Saturday, August 15
8:45 AM - 3:00 PM
Bonneville Dam and Klondike Wind Farm

Free and open to the public
RSVP required by August 7, amy@pdxcityclub.org or 503-228-7231 x110.

The Pacific Northwest is a hub of energy. From New Deal-era dams to "green economy" wind farms, energy is big business in our region. Join the New Leaders for a tour of one of the oldest and one of the newest forms of energy production in the Columbia Gorge - the Bonneville Dam and Klondike Wind Project.

On this tour, participants will hear from Iberdrola Renewable's Klondike Plant Manager, stand amidst approximately 400 megawatts (MW) of wind energy capacity and get a peek inside a modern wind turbine. After the wind site visit, the group will head to the Washington side of the Bonneville Dam at Cascade Locks and check out the over 1,000 MW powerhouse dam (enough power for the city of Seattle!) and state-of-the-art fish facilities, led by a Park Ranger from the US Army Corps of Engineers. While heading back into Portland, participants can re-charge their own energy supply with a local brew at McMenamins' Edgefield.

Space is limited, so an RSVP is required by Friday, August 7, with the event limited to 35 people. When you RSVP, please indicate if you are willing to be a carpool driver.

Please plan to bring a sack lunch. The tour at the dam is expected to end around 3pm and the Edgefield portion of the day is optional. Participants will meet at the north park-and-ride lot at Gateway Transit Center at 8:45 AM and carpool to the Klondike site, near the Biggs Junction.
