### Acknowledgements

Much appreciation goes to Dr. Kris Braman, University of Georgia, for generously sharing her extensive knowledge and research on azalea lace bug.

#### Use pesticides safely!

- Wear protective clothing and safety devices as recommended on the label. Bathe or shower after each use.
- Read the pesticide label—even if you’ve used the pesticide before. Follow closely the instructions on the label (and any other directions you have).
- Be cautious when you apply pesticides. Know your legal responsibility as a pesticide applicator. You may be liable for injury or damage resulting from pesticide use.

### Dedication

For Dr. Robert Ticknor, an ardent supporter of growers  
and a renowned plant breeder, whose talent was  
matched only by his kindness and generosity.
