

## INSTRUCTIONS FOR KEEPING RECORDS

Every club member is required to keep an accurate record of work done.

This record book has been arranged to make it easy for you to do this conveniently and quickly.

Since the articles in Clothing First Year are not usually found in stores, you need only record what you have made, the kind of materials used, and the cost of the materials.

Such materials as are obtained from Mother's scrap bag need not be charged. (For instance, such articles as the needle case and pincushion.)

Your record for these entries might look like this:

Example:

Date	Name of article	Materials	Cost
Jan. 3	Pincushion	Percale scraps	.....
Feb. 6	Bag	Monk's cloth Yarn	\$0.35

When you have completed your work, finished this record, and written your story, have your Mother or Leader sign it and then send it to your County Extension Agent. This is necessary in order that we may know you have finished and can award you your achievement pin. Your record book will be returned to you. Keep it for reference.

### THE 4-H CLUB CREED

I believe in Boys' and Girls' 4-H Club work for the opportunity it gives me to become a useful citizen.

I believe in the training of my HEAD for the power it will give me to THINK, PLAN, and REASON.

I believe in the training of my HEART for the nobility it will give me to be KIND, SYMPATHETIC, and TRUE.

I believe in the training of my HANDS for the ability it will give me to be HELPFUL, SKILLFUL, and USEFUL.

I believe in the training of my HEALTH for the strength it will give me to ENJOY LIFE, RESIST DISEASE, and MAKE FOR EFFICIENCY.

I believe in the United States of America, in the State of Oregon, and in my responsibility for their development.

I am therefore willing to devote my efforts for the fulfillment of these things which I believe.

## THE STORY OF MY WORK

We should like to have you answer these questions about your work.

1. Had you done any sewing before taking this project?.....
2. Which article did you like best to make?.....  
.....
3. Have you learned to use a thimble?.....

In every club there are so many interesting events that cannot be put in the record book in any way except a story. You may want to tell about your achievement day, the day you entertained your mothers, how you shopped for materials, why you chose your color scheme, what you do to help Mother, something your club has done for someone else, and, of course, you will probably think of many things not mentioned. It is not expected that you will write about *all* of these but you can choose any one or more and make a good story. Perhaps you would prefer to write it in the form of a letter to a relative or a friend.
