Re: Comments on Choices For the Future

Dear Chair Thorne and Vice Chair Whitty,

The attached documents are intended to coincide with the Task Force's discussions with stakeholder groups, and the Task Force's July 18, 2008 meeting in Salem. These documents are posted at <http://ir.library.oregonstate.edu/dspace/handle/1957/5>. That OSU website also includes two ALI reports cited in the enclosed comments.

Thank you.

Very truly yours,

Henry R. Richmond
