Replacing Lost or Damaged Papers

EM 8867-E • August 2004

Important records such as driver's licenses, birth certificates, and insurance papers often are lost or damaged in a disaster. It is important to replace these as soon as possible because obtaining replacements may take weeks or months.

Birth, death, marriage, and divorce certificates

Write, call, or visit the Oregon Department of Human Services to replace records. The fees depend on the number of copies requested and the type of delivery—expedited, overnight, or regular.
