The authors regret there is an error in Table 1. The 6th row of Table 1 is incorrect. The means and SE values reported for the variable CWD (m³/ha) should read:

| | Watson Falls | Butte | Capitol Forest |
|--------------------------|---------------|---------------|----------------|
| CWD (m ³ /ha) | 104.3 (±16.4) | 321.9 (±78.2) | 115.9 (±10.4) |

The authors would like to apologise for any inconvenience caused.
