We enclose one copy of the Bibliography of References dealing with the USDA Forest Service, done by the Forest History Society, Santa Cruz, Calif., for the WO Forest History Unit. Because this edition was done in such limited numbers, we have not heretofore made any general Field distribution. Since we now have plans to republish this bibliography, with still additional historical references and in a larger edition (more copies) we are making Field distribution of the limited number we had on hand in the WO.

Since this is a highly valuable and useful document in our push to record and publish Service history, please keep it in your reference library. Also, whenever possible please publicize and make it available to universities and scholars who may be engaged in researching Forest Service history.

ACKNOWLEDGEMENT

THE COMPILER OF A LARGE BIBLIOGRAPHY PLACES HEAVY DEMANDS ON THE PERSONNEL OF LIBRARIES AND OTHER DEPOSITORIES WHICH HE MUST USE. I WISH TO EXPRESS MY GRATITUDE TO THE FOLLOWING PEOPLE WITHOUT WHOSE HELP THE PREPARATION AND COMPLETION OF THIS BIBLIOGRAPHY WOULD NOT HAVE BEEN POSSIBLE:

MR. ELWOOD R. MAUNDER, EXECUTIVE DIRECTOR OF THE FOREST HISTORY SOCIETY, OFFERED ME THE OPPORTUNITY TO WORK ON THIS PROJECT. WITHOUT HIS SUPPORT, AND THAT OF HIS STAFF, I COULD NOT HAVE PERFORMED THE EXTENSIVE TRAVEL AND INDEPENDENT INVESTIGATION WHICH WAS NECESSARY TO AMASS THE RAW MATERIAL.

MRS. ESTHER JOHNSON AND HER STAFF AT THE LIBRARY OF THE SCHOOL OF FORESTRY AND CONSERVATION, UNIVERSITY OF CALIFORNIA, BERKELEY, PROVIDED HELPFUL SUGGESTIONS AND CONSTANT ATTENTION TO MY NEEDS, WHICH NOT ONLY LIGHTENED MY WORK BUT MADE THE CONDUCTING OF RESEARCH IN BERKELEY A PLEASURABLE EXPERIENCE.

IN THE ELEVEN MONTHS THAT I WAS TRAVELING IN THE COMPIRAION OF THIS WORK, I CAME INTO CONTACT WITH MANY FOREST SERVICE PERSONNEL. IN EVERY INSTANCE GREAT INTEREST WAS EXPRESSED IN THE RESEARCH BEING CONDUCTED AND EVERY COURTESY AND ASSISTANCE WAS UNFAILINGLY EXTENDED TO ME. THIS HAS BEEN ESPECIALLY TRUE AT THE PACIFIC SOUTHWEST FOREST AND RANGE EXPERIMENT STATION IN BERKELEY, CALIFORNIA. MR. THEODOR B. YERKE, HEAD, PSW SCIENCE LITERATURE SERVICES, AND HIS STAFF HAVE MADE POSSIBLE THE PUBLICATION OF THE WORK IN ITS PRESENT FORM, UTILIZING THE COMPUTER PROGRAM, FAMULUS, AND COMPUTER-OUTPUT-MICROFORM. MAJOR PROGRAM CHANGES TO FAMULUS WERE MADE BY MR. JAMES CLARKE, COMPUTER INFORMATION SPECIALIST, IN ORDER TO PRODUCE THE INDEX, WITHOUT WHICH THE VALUE OF THIS WORK WOULD HAVE BEEN VERY CONSIDERABLY LESSENED. MRS. ROXIE DIAL DESERVES SPECIAL THANKS FOR HER ASSISTANCE IN LOCATING HARD-TO-FIND ITEMS IN LIBRARIES THROUGHOUT THE COUNTRY. AND MR. VINCENT AITRO, REFERENCE LIBRARIAN, HAS PROVIDED INVALUABLE HELP IN THE ORGANIZATION OF THE INDEX.

MY CO-WORKER ON THIS PROJECT HAS BEEN MRS. CYNTHIA JACOBS. SHE IS AN EXTRAORDINARILY TALENTED AND DILIGENT COMPUTER TECHNICIAN. I CAN CONFIDENTLY SAY THAT WITHOUT HER UNFLAGGING COOPERATION WE COULD NOT HAVE PRODUCED A BIBLIOGRAPHY OF THIS SIZE, WITH AN INDEX, IN THE TIME ALLOTTED FOR THE EFFORT.
INTRODUCTION

IN 1972 THE U.S. FOREST SERVICE INSTITUTED A HISTORY PROGRAM TO DOCUMENT AND PRESERVE THE RECORD OF A CENTURY OF FEDERAL FORESTRY. THE PROGRAM SUPPORTS PROJECTS WHICH DETAIL ASPECTS OF FOREST SERVICE HISTORY AND ENCOURAGES SCHOLARS TO STUDY FORESTRY HISTORY BY PROVIDING AIDS TO GUIDE RESEARCH. THIS BIBLIOGRAPHY HAS BEEN COMPILED AS ONE SUCH AID.

THE GROWTH AND DEVELOPMENT OF FEDERAL FORESTRY IN THE UNITED STATES IS SYNONYMOUS WITH THE DEVELOPMENT OF PROFESSIONAL FORESTRY IN THIS COUNTRY. ONE CANNOT STUDY ONE TO THE EXCLUSION OF THE OTHER. THE PRESENT WORKSEEKS TO REFLECT THE MULTI-FACETED ACTIVITIES OF THE FOREST SERVICE, WHILE LEAVING TO THE JUDGMENT OF THE USER THE APPLICATION TO THE BROADER FIELD OF FORESTRY HISTORY.

WITHIN THE PERIOD OF ONE YEAR'S WORK IT HAS BEEN IMPOSSIBLE TO BRING TOGETHER ALL THE LITERATURE PERTAINING TO FOREST SERVICE HISTORY. THE CONTENTS OF THIS BIBLIOGRAPHY ARE, THEREFORE, PRIMARILY LIMITED TO WORKS WHICH HAVE BEEN PUBLISHED AND ARE AVAILABLE TO RESEARCHERS IN MAJOR LENDING INSTITUTIONS. IN ADDITION SOME PROCESSED MATERIALS HAVE BEEN INCLUDED. IN EACH SUCH CASE ANANNOTATION SHOWS ITS LOCATION. ANNOTATIONS ALSO SHOW THE LOCATIONS OF SCARCE ITEMS. IN A FEW INSTANCES, LIBRARY CALL NUMBERS ARE FURNISHED.

ABBREVIATIONS ARE REDUCED TO A MINIMUM. WHERE THEY ARE USED THEY SHOULD NOT CAUSE CONFUSION, E.G. AGRIC., FOR., DEPT., ETC. TITLE ENTRIES ARE RESTRICTED TO SHORT TITLES. LONGER TITLES ARE GIVEN WHEN NECESSARY TO CLARIFY AN ARTICLE AND THEREBY AVOID ANNOTATION. GIVEN NAMES ARE PROVIDED WHERE POSSIBLE IN AUTHOR AND TITLE ENTRIES.

THE LITERATURE CITED IN THIS BIBLIOGRAPHY REVEALS MANY AUTHOR INCONSISTENCIES IN TERMINOLOGY. IT IS NOT UNCOMMON TO FIND REFERENCES TO "FOREST RESERVES" AT A TIME WHEN THEY HAD OFFICIALLY BECOME NATIONAL FORESTS. LIKewise, AUTHORS CALL NATIONAL FOREST REGIONS "DISTRICTS", WHICH THEY ONCE WERE. WILDERNESS AREAS ARE REFERRED TO AS "NATURAL AREAS", "WILD AREAS", "PRIMITIVE AREAS", ETC., WITH NO DISTINCTION. FOREST EXPERIMENT STATIONS SUFFER SIMILAR MISNOMERS. THESE CONFUSIONS ARE CORRECTED BY VARIOUS DEVICES IN THE INDEX, AS OUTLINED BELOW.

THE NATIONAL FORESTS WERE OFFICIALLY KNOWN AS FOREST RESERVES PRIOR TO 1907. ALL CITATIONS REFERRING TO LITERATURE WRITTEN BEFORE 1907 ABOUT NATIONAL "FORESTS" ARE REFERRED TO IN THE INDEX UNDER "FOREST RESERVES". LITERATURE FROM 1907 IS INDEXED AS NATIONAL FORESTS, NO MATTER WHAT TERMS THE AUTHOR EMPLOYS. NATIONAL FOREST REGIONS AND NATIONAL FOREST DISTRICTS ARE INDEXED BY GEOGRAPHICAL LOCATION; THUS REGION 3 (ALBUQUERQUE, N.M.) IS INDEXED UNDER NATIONAL FORESTS--SOUTHWEST. THE TERMS
"WILD AREAS" AND "PRIMITIVE AREAS" ARE LISTED UNDER "WILDERNESS AREAS" EXCEPT WHEN NAMES ARE PROVIDED, AND THESE ARE INDEXED. TO ASSIST THE USER IN TRACING NATIONAL FOREST NAME CHANGES, A HISTORICAL LIST IS PROVIDED IN APPENDIX I.

THE LITERATURE EXAMINED FOR INCLUSION IN THIS BIBLIOGRAPHY HAS REFLECTED AN INORDINATE NUMBER OF REFERENCES TO THE SUBJECTS OF FOREST POLICY, CONSERVATION OF NATURAL RESOURCES, FIRE CONTROL AND SUPPRESSION, FIRE INCIDENCE AND DAMAGE, AND RANGE MANAGEMENT. IN ADDITION ENTRIES HAVE BEEN EXTENSIVELY CROSS-INDEXED. IN SOME INSTANCES THIS HAS RESULTED IN A SIGNIFICANT NUMBER OF ENTRIES BEING PLACED UNDER A SINGLE INDEX HEADING. TO PARTIALLY ALLEVIATE THE NEED FOR THE USER TO SEARCH MANY TITLES WHEN RESEARCHING A PARTICULAR ERA IT WAS FOUND EXPEDIENT TO SUBDIVIDE THESE TOPICS CHRONOLOGICALLY. IT IS TO BE NOTED THAT THE BREAKDOWN REFERS TO THE DECADE IN WHICH THE LITERATURE WAS PUBLISHED AND NOT THE ERA TO WHICH THE CONTEXT REFERS. FOR THE CIVILIAN CONSERVATION CORPS THE CHRONOLOGICAL SUBDIVISION WAS UNSUITABLE SINCE IT EXISTED FOR LESS THAN A DECADE.

FAMULUS, THE PROGRAM UTILIZED IN THIS COMPILATION, WAS NOT ORIGINALLY DESIGNED TO ACCOMODATE THIS FORM OF BIBLIOGRAPHY. CONSEQUENTLY, REPROGRAMMING WAS NECESSARY. THOUGH CONSIDERABLE TIME AND EFFORT WERE EXPENDED IN THIS DIRECTION, NOT ALL THE DESIRED CHANGES COULD BE INCORPORATED. THIS HAS RESULTED IN A SLIGHT DEVIATION IN ALPHABETIZING, AFFECTING BOTH THE MAIN ENTRIES AND THE INDEX HEADINGS. A CURSORY EXAMINATION BY THE USER WILL RAPIDLY DISTINGUISH THESE CHANGES. OTHER LIMITATIONS CAUSED REPETITIOUS INDEX HEADINGS.
