Journal performance metrics offer a systematic, objective means to evaluate the world's leading journals.
[more]

- Sci Citation Index (1965-pres)
- Social Sci Citation Index (1965-pres)
- Arts & Humanities Citation Index (1975-pres)

Library 2 (offers trials):

The screenshot shows a library database selection interface with a grey header bar containing four tabs: "All Databases", "Select a Database", "Web of Science", and "Additional Resources". The "Web of Science" tab is active. Below the tabs, there are several database entries, each with a description and a list of features. The "Web of Science" entry is highlighted with a yellow box. The "Data Citation Index" entry is crossed out with a red X. The "Zoological Record" and "Journal Citation Reports" entries are also highlighted with yellow boxes. A red arrow points from a yellow box at the bottom right to the "Your edition(s)" list in the "Web of Science" entry.
