revised October 1990.

/A/ Includes value of home consumption and rental value of operator's hired laborer's dwellings. (New methodology & data sources used from 1984 forward.)

/B/ Includes machine hire/custom work, recreational income, farm forest products sales and other farm business-related income.

\* Beginning with 1975, based on the 1974 Census of Agriculture, definition of a farm is: a place with annual sales of \$1,000.00 or more.
