

Registration Handbook 2007–2008

.....

Welcome to the OSU Registration Handbook!

Keep this book and refer to it for the entire year.
It will help you register for classes at OSU.

Step 1—Meet with your advisor

- Find your Head Advisor, page 18 to work out your schedule and get your Registration PIN.
- Find out if you are eligible to register, page 10.
- Read the other useful information in this book to help you through the process.

Step 2—Choose your classes from the Online Schedule of Classes, or from a printed version:

Use a computer connected to the Internet to view the *Schedule of Classes* electronically

- Go to <http://catalog.oregonstate.edu>.
- Select *Search Class Listings*. These class listings are accurate as of the time you view them.

To view one subject at a time:

- Click *Search all Schedule of Classes* and pick the choices you want to view and print.

OR

To print schedules for up to 4 subjects:

- Click *Print Schedule of Classes–My SOC* to see and pick the subjects you want to view and print.

Step 3—Register on the Web

- Use a computer (your own or one in a computer lab) to sign on to Student Online Services at <http://oregonstate.edu/>.
- Then select *Online Services Quick Login*.
- Follow the instructions online to complete your registration.

This publication will be made available in an accessible format upon request.
Please call the Registrar's Office, 541-737-4331.

Student Records–Right to Privacy

Web Source:

Go to: <http://catalog.oregonstate.edu/> then select Registration Information then Student Records.

Notice to Students Regarding Privacy of Records

The Family Educational Rights and Privacy Act (FERPA) of 1974 (Public Law 93-380), as amended, Oregon Revised Statutes 351.065, and Oregon Administrative Rule 580-013-0005 of the State Board of Higher Education afford students certain rights with respect to their educational records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the university receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education record that the student believes are inaccurate or misleading. Students may ask the university to amend a record that they believe is inaccurate or misleading. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the university decides not to amend the record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of the personally identifiable information contained in the student's educational record, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including health staff); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Oregon State University to comply with the requirements of FERPA.

The name and address of the office that administers FERPA is:
Family Policy Compliance Office

U.S. Department of Education

400 Maryland Avenue, SW

Washington, DC 20202-5901

Website: <http://www.ed.gov/policy/gen/guid/fpco/index.html>

Oregon State University will provide the following "directory" information to all inquiries without students' written consent:

- student's name
- current mailing address and telephone number
- current e-mail address (only the ONID address)
- campus office address
- class standing
- month and day of birth
- major field of study
- full-time or part-time enrollment status
- status as a graduate teaching assistant or graduate research assistant
- participation in officially recognized activities and sports
- dates of attendance
- degrees and awards received
- date(s) of degree(s)
- most recent previous educational institution attended by student

A student may request in writing that all of the above directory information be kept confidential. This option may be exercised by filing a written, dated, and signed request at the Registrar's Office any time. The restriction remains in effect until revoked by the student even if the student leaves the university or graduates.

The procedures for exercising the above rights are explained in Oregon Administrative Rule 576-020-0005 through 576-020-0065.

Use of Social Security Number (SSN)

You are requested to provide voluntarily your Social Security Number to assist OSU and the Oregon University System (OUS) (and organizations conducting studies for or on behalf of OUS) in developing, validating, or administering predictive tests and assessments; administering student aid programs; improving instructions; internal identification of students and alumni; collection of student debts; or comparing student educational experiences with subsequent workforce experiences. When conducting studies, OSU and OUS will disclose your Social Security Number only in a manner that does not permit personal identification of you by individuals other than representatives of OUS (or the organization conducting the study for OUS) and only if the information is destroyed when no longer needed for the purposes for which the study was conducted. By providing your Social Security Number, you are consenting to the use identified above. This request is made pursuant to ORS 351.070 and 351.085. Provision of your Social Security Number and consent to its use is not required and if you choose not to do so you will not be denied any right, benefit, or privilege provided by law. You may revoke your consent for the use of your Social Security Number at any time by contacting: Office of the Registrar, Oregon State University, Corvallis, OR 97331-2130; 541-737-4331.

Release of Student Information to Military Recruiters (Solomon Amendment)

Oregon State University provides information about students that is requested by military recruiters under requirements of the Solomon Amendment (As of Oct. 23, 1998 [63 Fed. Reg. 56819] and the Interim Rule published Jan. 13, 2000 [65 Fed. Reg. 2056] by Department of Defense). Under this federal law military recruiters may request the following information: Name, current mailing address (as provided by the student) including e-mail address, current telephone number (as provided by the student), age, class level (e.g. freshman, sophomore, etc.), and academic major. The information may be requested for the immediately previous term, current term, or future term for all students age 17 and older who are or were registered at OSU for at least 1 credit in the requested term. Recruiters may request this information each term. Recruiters may not obtain any information that is not in the above list of student recruiting information. For example, they may not request any of the following: Social Security Number or ID Number, place of birth, race/ethnicity/nationality, grades and GPA, grades of low-performing students, religious affiliation, names of students with loans in default, veteran status, or names of students no longer enrolled at OSU. Institutions that do not comply with the Solomon Amendment risk losing federal funding from the Departments of Defense, Education, Health and Human Services, Labor, and Transportation. Institutions do not risk losing student-aid funding such as Perkins Loans, Federal SEOG or Work-Study funds.

ID Cards & Student Info Online

OSU ID Card Provides Access

All OSU students are issued a student identification card upon admission and registration. You will need photo identification to get your OSU Card at the ID Center in B-094 of Kerr Administration Building. Your identification card is valid as long as you are continuously registered for classes. The OSU card is your official identification for using campus services, facilities and activities. It is scanned at many locations to verify enrollment. Your OSU Card is your meal card if you live in university resident housing.

All students, whether living on or off campus, also have the OSU Card Cash plan on their ID card account. With OSU Card Cash, the ID card become a campus debit card for purchasing food at all campus locations and for photocopies at Valley Library. OSU Card Cash is

separate from your university revolving fund account and the resident meal plans. Just add money to it at the ID center, the Valley Library Copy Center Convenience Card machine or on the ID Center website, <http://idcenter.oregonstate.edu>. The online card office, *MyCard*, allows students to view their OSU Card Cash balance; view past Card Cash transactions; add money to their OSU Card Cash account; set up, update and manage “Donors” (contributors other than themselves); and deactivate or reactivate their lost OSU ID card.

Lost ID cards should be reported immediately to protect your funds. Call the ID Center at 541-737-2493, e-mail the ID Center at id.center@oregonstate.edu, or deactivate your card online at <https://MyCard.oregonstate.edu>.

OSU Student ID card fees are as follows:

- Student (original card, billed with tuition) \$15.
- Affiliate (spouse or domestic partner) \$20.
- Replacement fee for all card categories \$20.

Online Access

Students can electronically access their own student information via the OSU website.

These services are explained below and are available 24 hours per day, EXCEPT:

11:55 p.m. Friday to 7:00 a.m. Saturday

To access your own student information, you need your Student Identification Number and your General Access Pin (GAP). The GAP is your birth date (MMDDYY), until you establish a new GAP.

This will then remain the student’s GAP until such time as she or he chooses to change it. Students who forget their new GAPs may access the web online systems to obtain a new GAP.

As of 2005, OSU no longer uses students’ social security number as an ID. A 9-digit number that is computer-generated now serves as students’ ID numbers.

Student Information Available:

- Grade Reports
- Student Class Schedules
- Unofficial Transcripts
- Course Availability
- Financial Aid Award Information
- Financial Aid Application Tracking
- Unofficial Financial Aid Transcript
- Account Balance
- General Information Directories
- Campus Map

ONID is the OSU Network Identifier

Every student is assigned their own ONID account that can be used to access Student Online Services for information such as grades and financial accounts. The ONID E-mail is the official communication link that the university uses to communicate with students.

ONID is the Official OSU E-mail Account

After you have registered for classes for the first time, you should activate your ONID account. ONID provides:

1. E-mail address—your official university e-mail address (required in many classes)
2. File storage
3. Personal web pages
4. UNIX shell access
5. Other IS (Information Services) services — campus modem pool, Blackboard, Residential Computer Network, and IS Computer labs

As a registered student, you can access your personal account on the central computer system. You can access electronic mail and the Internet through lab computers connected to the campus network or through a dial-up connection from your own computer.

To activate your account:

1. Go the OSU Network Identification website: <http://www.onid.orst.edu>
2. Click on “Sign up for ONID”
3. Type in your OSU ID Number and General Access Pin (GAP) number
4. Set your password

For help:

Call OSU Computer Helpdesk, Valley Library, 541-737-3474, between the hours of 8 a.m. and 7 p.m., Monday through Thursday, and 8 a.m. to 5 p.m. on Friday. You can also e-mail osucomputerhelpdesk@oregonstate.edu, or visit our website: <http://tss.oregonstate.edu/OCH> for more information.

Note: OSUWare CDs are available at the Library Circulation desk and the main Student Computing Facilities lab in Milne. The OSUWare CD contains anti-virus, anti-spyware, VPN and other productivity software. These CDs are available to students, staff and faculty with a valid OSU ID.

Registration: Eligibility

WHO YOU ARE	WHAT YOU NEED TO DO
Newly Admitted Undergraduates	Newly admitted undergraduates receive letters of admission that outline orientation and registration details. If you have further questions, contact the SOAR Office (Student Orientation and Retention) for details on orientation sessions that you are expected to attend. Call 541-737-7627 or e-mail: soar@oregonstate.edu .
Newly Admitted Graduates	May register in the first time period of Phase 1.
Newly Admitted Postbacc Students	After admission, obtain Registration PIN from advisor. For registration time, sign on to Student Online Services then select “Registration,” then “Check your Registration Status.” Registration status will be available approximately one week before registration begins.
Newly Admitted Nondegree Students	After admission you can register. No Registration PIN needed. For registration time, sign on to Student Online Services then select “Registration,” then “Check your Registration Status.” Registration status will be available approximately one week before registration begins.
Continuing Undergraduates	For registration time, sign on to Student Online Services then select “Registration,” then “Check Your Registration Status.” Registration status will be available approximately one week before registration begins. Otherwise , see Registrar for re-enrollment and registration procedures.
Continuing Graduates	For registration time, sign on to Student Online Services then select “Registration” then “Check Your Registration Status.” Registration status will be available approximately one week before registration begins. Otherwise , contact Office of Admissions. Readmission is subject to the Continuous Graduate Enrollment Policy. See Graduate School for details.
Students who have changed to a different status, i.e. undergrad, grad, post-bacc, or non-degree	Apply for admission under your new status at the Office of Admissions. After you have been admitted, follow the instructions above for your new status.
Students on Academic Suspension	If you were suspended at the end of the previous term, you are not eligible to register for a future term. If you are currently registered for a future term, you will be disenrolled. If reinstatement is granted, you must re-register.
Students with Registration Holds	When you attempt to register, the registration system will inform you of any registration holds that you have. Students with registration holds are not permitted to register until holds are cleared. The registration system will refer you to the appropriate departments and offices to contact to remove the holds.

Registration: When to Register

How to find out when you can register?

You need to know how many credits you have earned and add to that the number of credits you currently are enrolled in. Just sign in to Student Online Services and then select “Registration” then “Check Your Registration Status.”

For Fall Term, phase 1 begins May 13 and ends May 29.

Phase 2 begins May 29 and ends June 3.

Priority for students with disabilities is unchanged.

Graduate, Professional, and Postbaccalaureate students will be able to register at the beginning of the priority.

Athletes and Honors College students are divided into two groups, and then included in the first fifteen priority time slots to accommodate their special scheduling needs.

Priority Registration

Beginning Fall Term 2007 the priority registration schedule will have two phases based on credits earned and in progress (instead of the old alpha system based on the initial of last names). The two phases will enable us to implement automated wait listing. Here is how it works for undergraduates:

Phase 1 allows registration in a maximum of 16 credits. **Phase 2** allows registration in a maximum of 19 credits plus a maximum of three wait listed classes.

Each priority registration time has a minimum number of credits (earned plus in progress) defined for it. If you meet that minimum, you can register in that time block or any later time.

Auditing Courses

See the Academic Calendar for the Audit Registration period. Audit registration permits a student to enroll in a course for no credit and no grade. Course requirements for an audited course will be determined by the course instructor. Audit registration is available to admitted and non-admitted students. Audit registration begins with the sixth day of classes and ends with the close of registration at the conclusion of the tenth day of classes. Those who want to audit should contact the Registrar's Office for registration procedures that require approval of the course instructor.

Audit courses are assessed instructional fees at the same rate as credit courses. Any changes to an audit registration are subject to the same procedures, deadlines, and special fees as registration changes to regular courses. Upon completion of an audited course, the designation of “AUD” will be recorded on the transcript. The designation of “WAU” will be recorded on the transcript for students who withdraw from an audited course.

Registration Confirmation via the OSU Website

You may print a copy of your schedule from the OSU website via Student Online Services.

IMPORTANT: Course offerings, course times and locations, and other important information related to courses may change. The *Schedule of Classes* on the OSU website always has the latest information.

See: <http://catalog.oregonstate.edu/> and click on *Search Class Listings*.

Registration Changes

Registration and Schedule Changes Before Classes Begin

You may register or change your schedule on the web at any time after the above priority registration schedule and before the first day of classes. Web registration generally is available 24 hours a day, except Friday evening from 11:55 p.m. to 7:00 a.m. Saturday morning.

	Fall 2007	Winter 2008	Spring 2008
Classes begin	September 24	January 7	March 31

Late Registration and Fees

A late registration fee will be assessed for all initial registrations beginning the first day of classes of a term according to the following schedule:

	Fall 2007	Winter 2008	Spring 2008
Late registration fee of \$50 begins	September 24	January 7	March 31
Deadline to register for \$50 late fee	October 5	January 18	April 11
Late registration fee of \$100 begins	October 8	January 22	April 14

Schedule Changes After Classes Begin

All web transactions are done on the “Register/Add/Drop Classes” page of the OSU web registration system. To use it, sign on to Student Online Services. Web registration generally is available 24 hours a day, except from 11:55 p.m. Friday evening to 7:00 a.m. Saturday morning.

Any paper transactions are done at the Registrar’s windows between 8:00 a.m. and 5:00 p.m., Monday through Friday.

	Fall 2007	Winter 2008	Spring 2008
Deadline to add classes by web	September 30	January 13	April 6
Add classes with Banner 2nd Week Add, 8:00 a.m.–5:00 p.m.	October 1–5	January 14–18	April 7–11
Register to Audit, 8:00 a.m.–5:00 p.m.	October 1–5	January 14–18	April 7–11

Deadline for late registration, 5:00 p.m.	October 5	January 18	April 11
Deadline to change to S/U grade, 5:00 p.m.	November 9	February 22	May 16
Deadline to withdraw from a class by web, 11:55 p.m. ...	November 9	February 22	May 16

Registration changes after the end of the add/drop period will be charged \$20.00 per change.

New Second Week Add Procedure

As of Spring term 2007, second week adds will be an automated process. This replaces the paper process whereby you completed a paper form, obtained signatures on it and then submitted it to the Registrar’s Office. Now you will go to the department offering the course that you want to add. If the department grants you permission to register, you then find a computer and register for the course. You must type the CRN into the box provided beneath the courses for which you currently are registered, and hit the submit button. You should **not** select the course from the class search.

Automated second week adds will be available beginning midnight of Sunday of the second week of classes.

Caution: Do not wait until the last minute to process registration changes via the web. Although generally available 24 hours per day, the web online registration system is always down from 11:55 p.m. Friday until 7:00 a.m. Saturday. If you wait until 10:00 p.m. or later on a Friday night, you may encounter “system unavailable” messages or busy signals due to many people trying to use the system at the same time.

Registration Cancellation & Withdrawal

Registration: When to Register on the Web:

Go to: <http://catalog.oregonstate.edu/> then select Registration.

Registration Cancellation/Withdrawal from the University

Your act of registering constitutes your commitment to attend Oregon State University. As a university student, you are both academically and financially responsible for all classes in which you register.

If you want to cancel this commitment and reduce or eliminate tuition charges for the term, you must officially cancel your registration or withdraw from the university (See the Tuition/Fee Reduction and Refund Schedule in the Fees and Fee Payment section). Failure to pay tuition or to attend classes does not constitute official withdrawal. Students who simply stop attending classes are financially liable for all charges, and may also receive grades of U, N, or F depending on departmental policy.

Registration Cancellation

Prior to the first day of the term you may cancel your registration using the web registration system at no charge, however the matriculation fee is nonrefundable.

Fall 2007 Cancellation:
Before September 24

Winter 2008 Cancellation:
Before January 7

Spring 2008 Cancellation:
Before March 31

Withdrawal from the University for the Term

Beginning with the first day of the term, you may withdraw from the university for the term by filing a Withdrawal Form through the Registrar's Office. Students may withdraw from the university for any reason prior to the beginning of finals week. See Academic Regulation 13 for details. See the Tuition/Fee Reduction and Refund Schedule in the Fees and Fee Payment section for information on the financial implications of withdrawing from the university. Note that withdrawal from the university does not disqualify you from registering for the next term. If you have any questions, contact the Registrar's Office, 541-737-4331, 102 Kerr Administration Building.

Fall 2007 Withdrawal:
September 24 to November 30 by 5 p.m.

Winter 2008 Withdrawal:
January 7 to March 14 by 5 p.m.

Spring 2008 Withdrawal:
March 31 to March 14 by 5 p.m.

Caution: Do not wait until the last minute to process registration changes via the web. Although generally available 24 hours per day, the web online registration system is always down from 11:55 p.m. Friday until 7:00 a.m. Saturday. If you wait until 10:00 p.m. or later on a Friday night, you may encounter "system unavailable" messages or busy signals due to many people trying to use the system at the same time.

Registration Hints

Registering by WEB

- Check Registration Eligibility on page 10 to see if you are eligible to register.
- Determine your GAP (General Access PIN) number.
- Obtain your Registration PIN number, if required, from your college.
- Find out when you may register (See page 11).
- Fill out the Registration Worksheet. (Be sure to list a few alternate courses or sections in case the one you want is not available.)
- Use a computer with web access and follow the instructions on the Registration Worksheets.

General Access PIN (GAP)

A GAP is a 6-digit access number initially assigned to each student by the Registrar's Office. Your initial GAP is your birthdate (month, day, year). For example, if your birthdate is April 3, 1988, your GAP will be 040388. The GAP is your Personal Identification Number used to access student information available through BANNER and the World Wide Web. Your initial birthdate GAP will expire upon your first entry into the information systems. You must then choose a new GAP, other than your birthdate. You also have the option to enter some additional information about yourself to use as a prompt should you forget your GAP and need to obtain a new GAP. You may also contact the Registrar's Office, 541-737-4331, 102 Kerr Administration Building, if you forget your GAP.

Registration PINs

All degree-seeking undergraduates (including postbaccs) are required to have a Registration PIN. Registration PINs are provided by colleges at the time of advising. Nondegree students are not required to have registration PINs.

Holds

Students with registration holds will not be permitted to register until holds are cleared. Registrants are informed of holds and are referred to appropriate departments and offices.

Time Conflicts

Web registration will not permit you to schedule two classes that meet at the same time. If, however, you want to schedule two time-conflicting courses, register for the first course by web and the second course in-person at the Registrar's Office.

Maximum Credit Loads

Undergraduates may register via the web for up to 19 credits and graduates up to 16 credits. Additional credits may be added, within the guidelines of the academic regulations, by going to the Registrar's Office.

Course Restrictions

Enrollment in some courses is restricted by a prerequisite or by class or major or college or level or alpha sections. If you do not satisfy the course restrictions, web registration will explain the reason you did not receive the course selected. Generally speaking, departmental requirements on course restrictions are firm. However, if you think your registration merits an exception, please go to the course departmental office. See *Registration Restrictions* in the *How to Read the Schedule* section.

Departmental Approval Courses

Some courses are designated as requiring departmental approval (See the course listing column labeled "Prerequisites/Notes/Fees"). Contact the appropriate department to obtain approval prior to registering. The department will *not* register you in the class, but will electronically authorize you to register for the course. You will then need to register for the course on your own.

Changing Grading Options (S/U, A–F)

All courses registered via the web are given the A–F or P/N grade option as appropriate. Any changes of the A–F option (to S/U) are done in person at the Registrar's windows after completing the appropriate forms. **The deadline for these changes is the end of the 7th week of classes.**

Cancelled Courses

When you register on the web, classes that are cancelled will be noted in the "Look-Up Classes to Add" results. We encourage you to have a few alternate courses or sections in mind so that you can complete your registration.

Open Courses, Open Sections

Available classes can be found by using the "Look-Up Classes to Add" feature of web registration. Open and current-to-the-minute section availability also can be checked through the *Schedule of Classes* QuickLink on the Registrar's home page (oregonstate.edu/registrar).

Variable Credit Courses

If a course is taught for variable credits, for example 1–16 credits, web registration will prompt you to enter the correct number of credits for which you wish to enroll. If you need to change that number later, you may do so via the web.

Lectures/Labs/Recitations (Multi-Part Courses)

If a course is "linked" to a noncredit lab or recitation, you must register for all parts of the course. For specific details, see the *How to Read the Schedule* section.

Classification Standing

Total Credits	Class
1–44	First-year
45–89	Sophomore
90–134	Junior
135 and more	Senior

Major and Minor Changes or Declarations

To change or declare a major or minor, students must complete a Major/Minor Change Form that is available at head advising offices, at the Registrar's windows, and on the Registrar's web page. (Go to <http://oregonstate.edu/registrar> and select "Forms for Students") It is essential for students to keep their major and minor information up-to-date.

Registration Hints

Prerequisites

Prerequisite courses provide the background necessary for successful performance in a course. The university uses an automated check of students' records—including transfer work—at the time of registration to determine whether students have successfully completed the prerequisites for certain courses.

How are prerequisites displayed in the Schedule of Classes?

Class listings in the *Schedule of Classes* include a column headed "Restrictions" that displays all registration restrictions for the class. All prerequisites are required. Those listed as **ENFORCED PREREQS** are enforced by Banner at the time of registration (see explanation below). Those listed as **OTHER PREREQS** may be enforced by the department and may result in enrollment cancellation of students who do not meet the prerequisite.

How does prerequisite checking affect registration?

Prerequisite checking applies to all students regardless of their level, class rank, or college. If you are registering for a course with enforced prerequisite checking, and if you have successfully completed or are currently enrolled in the prerequisites for that course, then prerequisite checking will permit you to register for the course. Satisfactory completion is considered a letter grade of D– or higher, or an S or P grade. Satisfactory completion also may be a test score in those courses, such as some mathematics or foreign language courses that require a placement test. Satisfactory completion also may be met if your record includes transfer work that has been accepted by OSU as equivalent to the prerequisite course. Note that you must also meet any other restrictions that the department placed on the course such as major or class.

If, however, you have not completed and are not registered for the prerequisite, then you will receive a prerequisite error message when you try to register. You may ask the department offering the course to consider giving you an override for it, which will allow you to register for the course without having first met the prerequisites. If the department declines giving you an override, then you must take the prerequisite in order to register for this course.

How can I find out what prerequisites are being checked?

There are two places where you can look for prerequisite information: the online registration screens, and the online

Schedule of Classes. You can go to the *Online Catalog* home page and click on "Course Catalog" then click on "Search Catalog Course Descriptions" to find all of the enforced as well as the recommended prerequisites for each course.

Transfer of Academic Colleges

If you wish to transfer from one OSU college to another, please do so prior to registration. You can obtain the form from your head advisor, from the Registrar's Office, or from the Registrar's home page on the web. (Go to <http://oregonstate.edu/registrar> and select "Forms for Students." Print out and complete the "Change of Program" form.) Approvals are required.

Access for Students with Disabilities

Students with permanent or temporary disabilities who need assistance in accessing the services of the Registrar's Office offered through the Student Online Services on the web may contact the Registrar's Office at 102 Kerr Building, 541-737-4331. Efforts will be made to make information available in accessible formats.

Students who need information on accessible campus classrooms should refer to the Building Accessibility Guide in this publication. The Registrar's Office in conjunction with the Services for Students with Disabilities Office will provide assistance in making arrangements for classes in accessible locations.

This publication will be made available in alternative formats upon request. Please call 541-737-4331 for further information.

Update Your Current Mailing Address

This is the only address the university will use if it needs to send you information. The university no longer maintains separate local and home student addresses. Students are responsible for making sure their current address listing is correct and for updating it at the end of each term if necessary. Students may change their current mailing address listing at the Registrar's Office or through Student Online Services on the web.

You will be asked to verify your address at the beginning of each term. The first time you access your student information on the web through Student Online Services, you will see a message asking you to change or confirm your address. Please update your address information at that time.

Wait Listing

In Phase 2, wait listing will be in effect—but only for certain sections selected by the departments. Look at the online *Schedule of Classes*. You will see that some sections have wait listing numbers listed just between the enrollment numbers and the section title.

BI 101 GENERAL BIOLOGY (4)

When you try registering for a closed class, you now can add your name to an automated wait list. (**NOTE:** Not every section has wait listing.) Type the CRN into the registration worksheet and click Submit. Then click Submit again to add yourself to the wait list. At night, Banner will add people from the wait list to courses that have space available. If Banner adds you to a class, it will send you an e-mail at your ONID address. **If you no longer want the class, it is your responsibility to drop it!**

Wait listing continues until midnight Sunday of the second week of the term. Beginning just after midnight that Sunday, you must use the second week add procedure to add any classes.

How to Read the Schedule

“How to Read the Schedule” on the Web:

Go to: <http://catalog.oregonstate.edu/> then select Registration.

General Information

The *Schedule of Classes* is arranged alphabetically by course designator. For example, MTH for mathematics. Courses are arranged in numerical order within the department listing.

The university reserves the right to alter the contents of this publication, as circumstances require, by making necessary changes such as, but not limited to: addition and cancellation of courses and sections; changes in meeting times and locations; changes in course prerequisites, and changes in instructor.

The course schedule information on the OSU website will reflect changes occurring after the publication of the *Schedule of Classes*.

Schedule Abbreviations

In reading the *Schedule of Classes*, please refer to the following abbreviations:

Baccalaureate/WIC Courses

All baccalaureate core classes in the *Schedule of Classes* are preceded by an asterisk*, and all WIC classes are preceded by a carat ^.

Course Title/+Lab/+Rec (Multi-Part Courses)

The course title is the name of the class. If a class lecture is “linked” to a noncredit lab or recitation, you must register for all parts of the course. Web registration will not permit you to register for one part without the other. Likewise, you may not drop only one part of a “linked” course; if you do so, the other part will be dropped automatically. If you want to change one part of a multi-part course, you should drop the part and add a new part at the same time before processing your requested changes. Be sure to process the request after specifying the drop and the add.

Crs

100/200 = Lower Division, Undergraduate
 300/400 = Upper Division, Undergraduate
 500 = Graduate, primarily Master’s
 600 = Graduate, primarily Doctoral
 700 = Professional, DVM

Sec

Section number.

CRN

CRN is the unique **Course Reference Number** that identifies each class.

CR = Credit

All credits listed in the *Schedule of Classes* refer to quarter credits.

If a course is taught for variable credits, for example 1–16 credits, web registration will prompt you to enter the correct number of credits for which you want to enroll. If you need to change that number later, you may do so via the web.

Fees

A list of course fee codes, their description, and the fee amounts are at the end of the “Fees and Fee Payment” section of this book.

Meeting Time

Days of the week are abbreviated as follows:

M = Monday
 T = Tuesday
 W = Wednesday,
 R = Thursday
 F = Friday
 S = Saturday
 TBA = To Be Announced

All times shown in this publication are on the basis of the 24-hour clock. Times past noon have 12 added. For example, 2 p.m. = 1400.

Location

See the campus map (http://oregonstate.edu/cw_tools/campusmap/) in the back of this book for building abbreviations and locations. TBA = To be announced.

P/N=Pass/No Credit

A class is graded A–F unless P/N appears, then Pass/No Credit grading applies.

All courses registered via the web are given the A–F or P/N grade option as appropriate. Any change of the A–F option (to S/U) is done in person at the Registrar’s windows after completing the appropriate forms. The deadline for these changes is the end of the 7th week of classes. See the Academic Calendars.

Registration Restrictions

Prerequisites

Prerequisites provide the background necessary for successful performance in a course. Students may attempt a course without having prerequisites if they have obtained the consent of the instructor to do so. If the instructor’s consent is not obtained, then students who have not fulfilled published prerequisites may be disenrolled from the course during the first week of classes.

See the section on “Major Restrictions” in the Course Listing booklet.

Departmental Approval

Special approval is required for this course; the student requests an “override” from the department teaching the course, and then the student registers for the course.

+/-

+ indicates “only.” For example, under class limitation +1 means only freshmen, – indicates “no.” Under college limitation, –1,7 means no students from College of Agricultural Sciences or the College of Pharmacy may register.

How to Read the Schedule

AL=Alphabetic Sections (Alpha sections for WR 121)

WR 121 course sections have registration limitations determined by the first letter of the student's last name. These are marked in the comments or restrictions column with the following codes:

- AL+AG = Students whose last names range from A to G may register that term.
- AL+HN = Students whose last names range from H to N may register that term.
- AL+OZ = Students whose last names range from O to Z may register that term.

CL=Class Standing

- 1 = Freshman
- 2 = Sophomore
- 3 = Junior
- 4 = Senior
- 5 = Undergraduate non-degree
- 6 = Graduate non-degree
- 7 = Postbaccalaureate (undergraduate)
- 8 = Master's candidate
- 9 = Doctoral candidate
- G = Postbaccalaureate (graduate)
- V = Professional

CO=College Codes

- 01 = Agricultural Sciences
- 02 = Business
- 03 = Education
- 04 = Pre-Engineering
- 05 = Forestry
- 07 = Pharmacy
- 08 = Science
- 09 = Graduate School
- 10 = Liberal Arts
- 11 = Defense Education
- 13 = Oceanic and Atmospheric Sciences
- 14 = University Exploratory Studies Program
- 15 = Veterinary Medicine
- 16 = Professional Engineering
- 17 = Interdisciplinary
- 18 = Honors
- 21 = Health and Human Sciences

DG=Degree

If a course is restricted to students pursuing specific degrees, it will list a code of DG + – under the Registration Restrictions column. Degrees listed may include HBA (Honors Bachelor of Art), HBFA (Honors Bachelor of Fine Arts) and HBS (Honors Bachelor of Science).

LV=Level

- 1 = Undergraduate
- 2 = Graduate students
- 3 = Postbaccalaureate students
- 4 = Nondegree and Credential
- 5 = Professional students

Distance Course Delivery Mode

IDL– = Individualized Directed Learning

NSHD

No-show drop. See Academic Regulation 9. Departmental Approval

Special approval is required for this course; the student requests an "override" from the department teaching the course, and then the student registers for the course.

Course Numbering System

Throughout the Oregon University System (OUS), courses follow this basic course numbering system:

0–99. Noncredit or credit courses of a remedial, terminal, or semiprofessional nature not applicable toward degree requirements.

100–299. Undergraduate, lower-division courses.

300–499. Undergraduate, upper-division courses.

500–599. Graduate courses offered primarily in support of a master's degree but which are also available for doctoral level credit. Undergraduates of superior scholastic achievement may be admitted on approval of the instructor and department head, and they may apply to reserve these courses for later use on a graduate degree program.

600–699. Graduate courses offered principally in support of doctoral level instructional programs but also available for master's program credit.

700–799. Professional or technical courses that may be applied toward a professional degree (such as DVM or PharmD) but not toward other graduate degrees (such as PhD).

800–899. In-service courses aimed at practicing professionals in the discipline. These courses may not be applied to graduate nor professional degree programs.

Key to Success: Academic Advising

Academic Advising on the Web:

Go to: <http://catalog.oregonstate.edu/> then select Registration.

Academic Advising

Academic advisors assist you in long and short term academic and career planning. They provide information on curricula, educational options within the university and schedule planning, and help interpret university and departmental requirements.

The following are tips from academic advisors to assist you in getting the most out of your advising appointment.

- Meet with your advisor once per term.
- Keep your PIN and GAP codes in a safe place.
- Take responsibility for learning your degree requirements.

Revised Chemistry Articulations

Change in General Chemistry Articulations Effective Fall 2007

After careful review of existing articulations of general chemistry courses at the Oregon community colleges, Oregon State University has decided to implement the following change effective fall 2007:

Chemistry at the 100 level (CH 104, 105, 106 or CH 121, 122, 123) will no longer be equivalent to CH 121, 122, 123 at OSU with the following exceptions:

CH 121, 122, 123 at Chemeketa, Linn-Benton, and Treasure Valley Community Colleges will still be equivalent to CH 121, 122, 123 at OSU.

These changes are being made because the topics and level of coverage in the 100-level sequences do not match the CH 121, 122, 123 sequence at OSU. The CH 104-106 sequence typically is based on a general/organic/biochemistry (GOB) textbook rather than a traditional general chemistry textbook.

The above 100-level courses do transfer to OSU as lower-division chemistry (CH LDT) credits and will fulfill the OSU baccalaureate core requirement for physical science courses.

A 100-level, one-year chemistry courses sequence from a community college that does not articulate to OSU as CH 121, 122, 123,

- 1) is not allowed as a prerequisite for organic chemistry at OSU (CH 331 or CH 336)
- 2) does not fulfill the OSU chemistry minor requirement of one year of general chemistry
- 3) usually will not fulfill the requirements for a major that requires a one-year general chemistry sequence.

Students should contact the academic advisor in their major field of study at OSU if they have any questions about this new policy and what will be accepted. General questions can be directed to Dr. James Ingle, Department of Chemistry, at 541-737-6743 or james.ingle@oregonstate.edu.

See the chart below with new articulations effective fall 2007. (Bold indicates changes.)

Community College	Articulation of CH 104–106 to OSU	Articulation of CH 121–123 to OSU	Articulation of CH 221–223 to OSU as CH 221–223 to OSU	Articulation of CH 241–243 to OSU as CH 331, 332, 337 (LD) ^b
Blue Mountain	CH LDT*	CH LDT*	Y	Y
Central Oregon	CH LDT*	Not offered	Y	Y
Chemeketa	CH LDT*	CH 121–123	Y	CH LDT* + CH 331, 332 (LD)
Clackamas	CH LDT* + CH 130	Not offered	Y	Y
Clatsop	CH LDT*	Not offered	Y	Not offered
Klamath	CH LDT*	Not offered	No articulation to OSU	Not offered
Lane	CH LDT*	Not offered	Y	Y
Linn-Benton	Not offered	CH 121–123	Y	Y
Mt. Hood	CH LDT	Not offered	Y	Y
Portland	CH LDT*	Not offered	Y	Y
Rogue	CH LDT*	Not offered	Y	Not offered
SW Oregon	Not offered	CH LDT*	Y	CH LDT*
Treasure Valley	Not offered	CH LDT* + CH 122-123	Y	Y CC Sequence is CH 227-229
Umpqua	CH LDT*	Not offered	Y	Y

CH LDT* indicates that one or more of the courses in the sequence transfer with no equivalent OSU number. These courses transfer as lower-division transfer (LDT) chemistry (CH) credits with the course title and credits being the same as the original community college course. These courses will still fulfill the OSU baccalaureate core requirement for physical science courses.

^b The articulation for organic chemistry is only valid if the entire sequence is taken at the community college and transferred because there is not a direct correspondence between individual courses. If only CH 241 is taken at the CC and transferred, a student must start with CH 331 at OSU. If only CH 241 and 242 are transferred, a student must still take CH 332 and CH 337 to complete the non-majors organic sequence at OSU.

For further information on OSU articulations, consult the OSU Articulation Tables for Oregon schools at: http://oregonstate.edu/admissions/transfer/articulation_1160.html and the OSU Department of Chemistry advising web at <http://www.chemistry.oregonstate.edu/undergrad/advising.html>.

Placement of Students

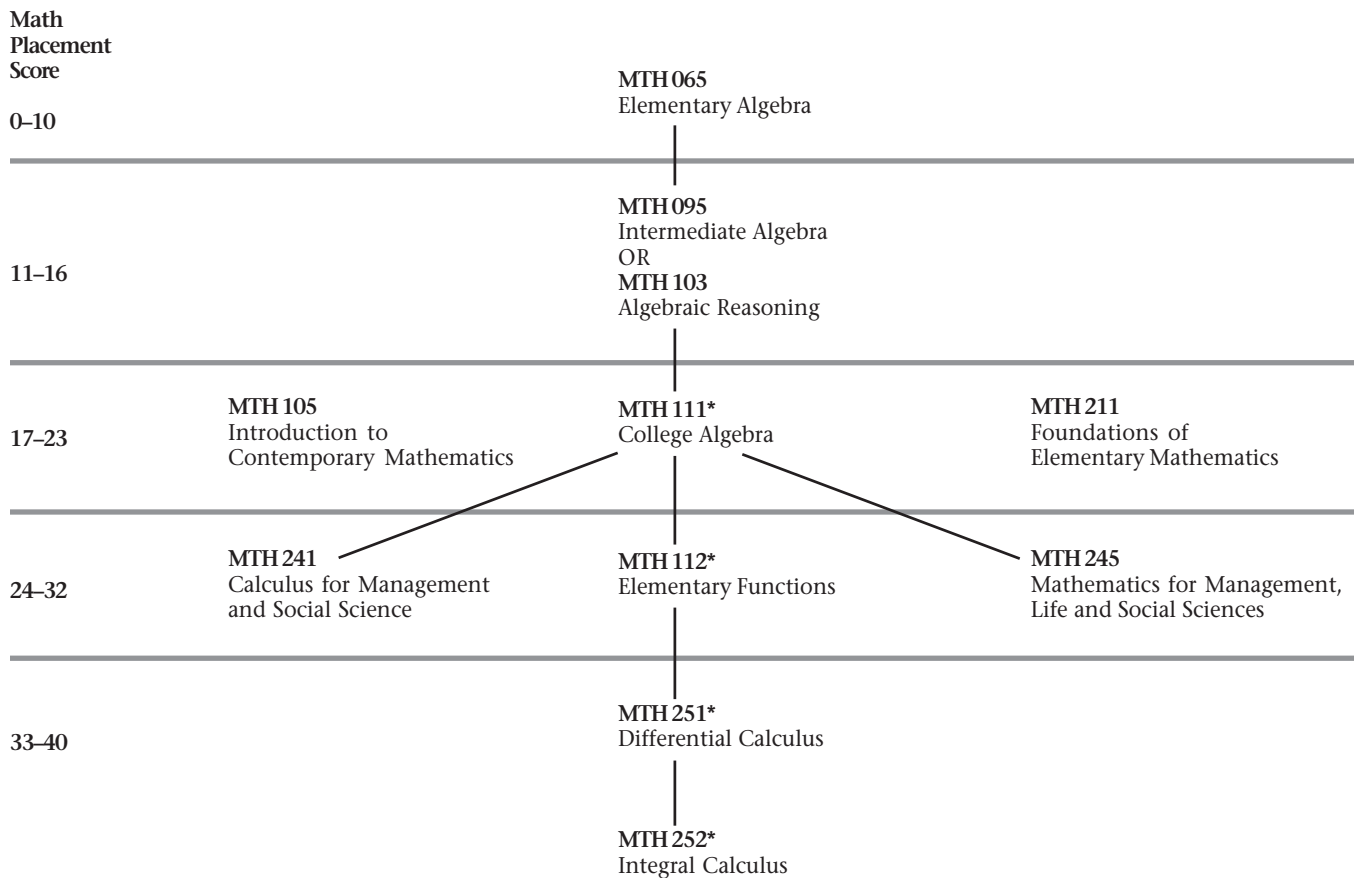

Foreign Language Assessment

Students with foreign language training who do not have advanced placement or college credit and who plan to enroll in a French, German, or Spanish language course during the fall term are advised to take a Foreign Language Assessment. Students needing placement assistance in Arabic, Chinese, Italian, Japanese, or Russian language courses are encouraged to contact the Department of Foreign Languages and Literatures, 210 Kidder Hall, 541-737-2146.

Mathematics Assessment

All incoming students who do not have advanced placement credit or college credit in mathematics must take the Mathematics Assessment. An online practice exam is available at: <http://oregonstate.edu/dept/mlcexcel/exam.html>. Descriptions of mathematics courses likely to be taken by entering students are included in the *General Catalog*, <http://catalog.oregonstate.edu>. MTH 065 and MTH 095 are offered at community colleges or through the OSU Office of Continuing Higher Education (Ecampus fees will apply). MTH 103 is offered through the Educational Opportunities Program (EOP) and the OSU Department of Mathematics. Consult an academic advisor for the appropriate math sequence for your course of study.

OSU Mathematics Course Prerequisites/Placement Structure

*A graphing calculator is required for MTH 111, MTH 112, MTH 251 and MTH 252. The following link will take you to advice about choosing a graphing calculator for your mathematics classes: <http://www.math.oregonstate.edu/node/view/89>. If you have other classes that require a calculator, you should also check with an advisor in that academic area so that you can get a calculator that will serve all your needs. Also consider MTH 199 (1 cr.) or MTH 299 (2 cr.) Math Excel sections to supplement MTH 111, MTH 112, MTH 251 or MTH 252.

Placement of Students

.....

Chemistry Placement

Please use the criteria below when selecting a general chemistry course.

CH 121 – 5 credits

The CH 121 sequence (CH 121, CH 122, CH 123) is only for students who have:

1. little or no high school chemistry, AND
2. concurrent enrollment in or successful completion of MTH 095/MTH 103 or higher.

A more gradual and thorough approach in this sequence will prepare students to take an advanced chemistry course such as CH 331. Students who do not place in MTH 095/MTH 103 should complete MTH 065 with a C or better and then enroll in MTH 095/MTH 103 concurrently with CH 121. Exception: students without high school chemistry who have AP credit or placement in MTH 251 or higher may take CH 201, CH 221, or CH 224H.

CH 201 – 3 credits

CH 221 – 5 credits

CH 201 and 202 present a sequence of selected general chemistry topics intended primarily for engineering students. CH 221, CH 222, CH 223 is a general chemistry sequence of 15 credits intended for science, pharmacy, chemical engineering, and pre-medical/pre-dental students and others interested in a complete general chemistry sequence. Only students who have the following should enroll in CH 201 or CH 221:

1. at least one year of high school chemistry, AND
2. successful completion of MTH 111 or higher OR concurrent enrollment in MTH 111 OR placement in MTH 112 or higher.

For more information, consult your academic advisor.

Students qualified to take CH 201 or CH 221 should not be placed in CH 121.

CH 224H – 5 credits

This general chemistry course is reserved for students enrolled in the University Honors College. Placement guidelines are the same as CH 201 and CH 221.

Zero to Success in 77 Days

A Week-By-Week To-Do List for the Term

The terms at Oregon State University move very quickly. Ten weeks of classes, and you find yourself facing finals week. Successful students are ones who stay on top of all of the little details. Here's a list you can follow to enhance your chances of success. You can find an academic calendar with specific deadlines for each term at the Registrar's web page:

<http://oregonstate.edu/registrar/>. At this site, you can also find a complete list of OSU's academic regulations.

Week Zero (Before the term starts)

- Print out your "detail schedule" from student online services. Make note of where each class meets and the name(s) of your instructor(s).
- If you can, buy your textbooks before your classes start. That way you'll be ready for the first reading assignment, which is likely to be assigned the first class.
- Find all of your classrooms, so you know where you are going the first day of classes.
- Buy a planner — write down known responsibilities (class times, work schedule, recurring activities and meetings).

Week One

- Check to make sure your ONID account is active and working. It is a primary* mode of communication for the university. If you haven't signed up for ONID yet, go to www.onid.orst.edu and follow the "Sign Up for ONID" link on the left hand side of the page. *College of Business students will receive an e-mail account to be used for communications from and within the college.
- Check Blackboard to see if any of your classes are using Blackboard tools as part of the class. You use your ONID user name and password to log in to Blackboard at <http://my.oregonstate.edu/>.
- Have you purchased your books yet?
- Go to all your classes. Don't buy into the myth that the first class isn't important. Every class is important, especially in the quarter system where we only have ten weeks!
- At the first class, you will likely get a syllabus. Review this document thoroughly. You can use it to help you:
 - Write in your planner when assignments are due and tests are scheduled.
 - Establish a regular reading and study schedule for all of your classes. If you don't know how to do this, you can visit with your advisor or stop by the Academic Success Center (ASC) in 102 Waldo Hall for a success consultation.
 - Learn your professor's and TA's names and office hours.
 - If you make schedule changes, do so as soon as you can this week, so you do not have to make up a lot of missed class time.

Week Two

- You've gone to every class, right? If you haven't already, try sitting in the front of the classroom to minimize distractions.
- Hopefully by now you are checking your ONID account on a daily basis. If not, it is time to start.
- Check Blackboard on a daily basis. This week, look for classes and materials not posted last week.
- Get contact information from at least one other student in each of your classes. Not only do you have a resource if you ever have to miss class, but the two of you could connect with other students to form a study group.
- If you are considering dropping or adding a class during the second week, it is a good idea to consult with your advisor. The deadline to drop a class is 11:55 p.m. on the Friday of the second week.

Week Three

- 20% of the term is gone! Review your syllabi and start your preparation for midterms. You should also get a start on projects or papers that might be due later in the term.
- How are you keeping up on your reading? Are you struggling at all with note taking? Any issues in keeping up with your homework? Don't let small problems early in the term become big problems later in the term! Visit the Academic Success Center (ASC) in 102 Waldo Hall to get help if you need it.
- Identify a question or concern you have about each class after the first few weeks and make it a point to visit your professor during office hours. It is a good way for you to get to know them, and more importantly a good way for them to put your face to your name on their roster. It also shows them you care about your learning.

Week Four

- Don't be surprised if your first midterms are happening this week (maybe you even had some last week). In fact, you may even have multiple midterms in a single day. Scheduling your studying in advance helps you minimize your stress on days and weeks where you may have more than one exam.
- **Look Back:** The first exam always gives you a chance to do a critical evaluation of yourself and your term thus far. Being a full-time student, in terms of time investment (class time, reading, studying, and project time), equates to a full-time job. Are you performing the way you want? If not, visit your advisor or the ASC to strategize on how you can do better.

Week Five

- **Look Forward:** Very soon, you and your advisor will be planning for next term. Understand that whether your advisor is a professor or professional advisor, he or she has a very full schedule. Scheduling an appointment now assures that you will get in to see your advisor before priority registration starts later in the term. If you need an external trigger to help you remember, week five usually falls around Halloween (fall term), Valentine's Day (winter term), and Cinco de Mayo (spring term).
- It is important for all students to balance their academic lives with meaningful activities outside of the classroom. How are you spending your time when you are not in class or studying? Have you joined any clubs or organizations? Are you meeting new people and are you getting experiences that your classes don't offer? You can learn about all of the available student activities at OSU by visiting Student Involvement in 149 MU East (Snell Hall) or going to <http://oregonstate.edu/studentinvolvement/>.

Zero to Success in 77 Days

Week Six

- 50% of the term is gone!
- Have you made that advising appointment yet?
- During week three, we recommended a visit to your professor during office hours. It is good to do that again this week. Possible topics of discussion could again include concepts you don't understand or questions you have, but by this time, you may have graded material from the class. It would be good to review that graded material face-to-face with the professor or your TA.

Week Seven

- If your class has a second midterm, it is probably happening this week or next. Are you prepared? Consider what worked or didn't work on your first exam and how you might improve your performance on this exam.
- Friday of this week is the deadline to withdraw from a class (11:55 p.m. online) or change from letter grading to S/U grading (5 p.m. at the Registrar's office – Requires an advisor signature on an S/U form). If these terms and policies are confusing to you, consult with your advisor or take a look at Academic Regulations 12 and 18 at this website: <http://catalog.oregonstate.edu/ChapterDetail.aspx?key=75>.

Week Eight

- Priority Registration starts this week. Remember you should see your advisor prior to priority registration. You can learn your priority registration date by going to the Registrar's home page at <http://oregonstate.edu/registrar/> and following the "priority registration" link on the left hand side of the page.
- Before you register, you should look in Student Online Services to see if you have any holds that might impede your registration. To do this, log into Student Online Services. Right below the "Registration" link, there is a link to "Student Records." Click on the "Student Records" link, and then click on "View Holds" to see if you have holds.

Week Nine

- **Look Back:** This is a good time for self assessment. Are you sticking to your study plan? Are you caught up on reading? How are those final papers and projects coming? Are you getting enough exercise and sleep? Are there any habits you want to adjust going into the last two weeks of the term?

Week Ten (Dead Week)

- **Look Forward:** Get yourself ready for finals week which begins next week. If you haven't done so already, write down the time and location of all of your finals. This information should be on your syllabus, and you can also find it by going to this website: <http://catalog.oregonstate.edu/ChapterDetail.aspx?key=371>. Regardless, you should confirm the information with your instructor to make sure nothing has changed.
- As you did with your midterms, develop a study schedule and plan ahead for how you might negotiate the stress of having more than one exam on one day.
- Final labs, papers, and projects are often due this week.

Finals Week and Beyond

- Prepare yourself to handle the logistics of finals. Your professor may require you to purchase a blue book or a scantron form from the bookstore. Make sure you have that along with pens, pencils, and anything else you might need for the exam.
- Show up to your finals 5 to 10 minutes early to give yourself a chance to get settled and relaxed before your exam.
- As your instructors finish their grading, they will post your final grades to Student Online Services. All grades are due the Monday after finals week. Your term GPA will be calculated and your cumulative GPA will be updated by Wednesday after finals week. Make sure you look at your grades.
- Good students will always seek clarity on a grade if it was lower than expected. Many instructors use the grade book function of Blackboard, so you can see how you were graded on each assignment. If you have questions, follow up with your instructors as soon as you can to get clarity on your grades.

Keep up the good work. Start again next term at the top of the other side!

Web Registration Worksheet

Please read and complete this worksheet before logging into web registration.

My priority day to register is

- Go to the OSU web home page (<http://oregonstate.edu>)
- Select "Student Online Services" and then, "Online Services Quick Login."
- The login page requires your OSU student ID number and your 6-digit GAP (initially your birth date in MMDDYY format).

OSU ID

GAP

- Select "Registration" and then "Register/Add/Drop Classes."
- Select the appropriate term and Submit Term. If advising is required, you will enter your 6-digit Registration PIN, which you obtain from your advisor.

REG PIN

- Web registration is self-guiding and self-paced. Go as fast or slow as you want. Read the instructions on the web screens and note the various links and buttons to additional pages. Use the scroll down function and right/left arrows.
- If you are using a Mac, the "Back" button on your web browser should NOT be used.
- If you are unable to register, go to the "Check Your Registration Status" page from the Registration Menu to find out why. If you have a hold on your registration, select "View Holds" from the Student Records Menu to show the office and phone number you need to contact.
- With "Search for Classes to Add," from the Registration Menu or the "Class Search" button on the Add/Drop Classes page, you will be able to look up additional classes and see up-to-the minute information about each class. Scroll side-to-side to see all information. If a class looks desirable, you may check the box and add the class to your worksheet. Courses appearing with a "Time Conflict" message will conflict with courses in which you are already registered.

- When you try registering for a closed class, you now can add your name to an automated wait list. (**NOTE:** Not every section has wait listing.) Type the CRN into the registration worksheet and click Submit. Then click Submit again to add yourself to the wait list. At night, Banner will add people from the wait list to courses that have space available. If Banner adds you to a class, it will send you an e-mail at your ONID address. **If you no longer want the class, it is your responsibility to drop it!**
- If registering for a variable credit course, web registration will give you the lowest number of credits available for that course. You may then select "Change Class Credits" to change the number to what you desire. Be sure to verify your change.
- There are two ways to view your schedule. Try them both. *Review your schedule frequently!*
 - View your Student Schedule by Day and Time—a great way to view your schedule in block form.
 - View your Student Detail Schedule for detailed information including instructor, grade mode, and more.
- For access to the OSU web registration pages from off-campus, you will need the following:
 - The minimum browser versions supported for use with this site are:**
 - Internet Explorer 6.0
 - Netscape 6.2
 - Internet Explorer for Macintosh 5.1
 (AOL users can access this site if they launch one of the supported browsers, instead of using the AOL web browser.)
 - If you are using an employer's Internet access, you may find that your employer's setup has a proxy. This proxy has to be SSL compatible.
- IMPORTANT:** Be sure to use the "Submit Changes" button to process all web registration requests! To verify changes, view or print your schedule!

HELPLINE: 541-737-4331, then press 6 during business hours (Mon.–Fri., 8 a.m. to 5 p.m.)

Baccalaureate Core Courses

BCC & WIC on the Web:

Go to: <http://catalog.oregonstate.edu/> then select *Search Course Listings*.

Bacc core listings for winter and spring terms will be available online at <http://catalog.oregonstate.edu/>, then click Search Class Listings, then click on Baccalaureate Core Schedule.

About the Baccalaureate Core

The Oregon State University Baccalaureate Core will continually be enriched. It emphasizes creative thinking, writing, world cultures, appreciation of differences, the arts, sciences, literature, lifelong fitness, and global awareness in 15 course categories. Over 250 courses are available to meet Core requirements. Students must complete a total of 48 credits plus the Writing Intensive Course (WIC).

Transfer Students

Oregon community college students entering OSU fall term 1990 or thereafter, having completed the new Associate of Arts (AA) degree (meeting the OUS-Oregon Community College block transfer agreement) will automatically have satisfied all the lower-division requirements of the baccalaureate core.

Transfer Credits

Decisions on transfer courses meeting specific baccalaureate core or 1988–90 General Education requirements will be made by the Office of Admission with the Faculty Senate and Academic Programs. Some requirements may be met by advanced placement. For more information, contact the Office of Admission. Articulation tables for baccalaureate core courses can be found on the web at <http://oregonstate.edu/registrar> then select General Information then Transfer Equivalencies.

In the following list, **courses offered fall term are underlined>**. For Bacc Core courses offered winter and spring terms, refer to the PDF files at <http://catalog.oregonstate.edu/> under Registration, see PDF of Bacc Core Classes. The winter term Bacc Core courses will be available after **October 15**; the spring term Bacc Core courses will be available after **January 15**.

Undergraduate Graduation

An Application for Bachelor's Degree must be filed at the Registrar's Office two terms before expected graduation so that degree progress can be monitored each term. Graduation audits will then be available to students at head advising/dean's offices. The graduation audit distribution schedule for 2007–2008 is: October 12, 2007; January 12, 2008; April 19, 2008; and July 12, 2008.

Commencement exercises are held once yearly in June and attendance is optional. Undergraduate students who expect to graduate during the summer immediately following the June ceremony may participate in the June Commencement exercises.

Need verification of your enrollment?

Now you can do it on the Web!

Students requesting verification of enrollment or degrees earned spring 2000 to the present may obtain the information by:

- Printing a current term schedule by logging on to Student Online Services Quick Login
- Printing a verification at no cost from the National Student Clearinghouse by accessing it through Student Online Services Quick Login.
- Printing a verification from the National Student Clearinghouse www.studentclearinghouse.org and using a credit card to pay for the service.

Students requesting verification of enrollment prior to spring 2000 may obtain the information by:

- Printing an unofficial transcript by logging on to Student Online Services Quick Login
- Ordering an official transcript by logging on to Student Online Services Quick Login or by printing and completing the Official Transcript Order Form (<http://oregonstate.edu/registrar/FormsLinks.html>) and submitting it to the Registrar's Office, 102 Kerr Administration Building, Oregon State University, Corvallis, OR 97331-2130.

Forms submitted to the Registrar's Office are sent to the National Student Clearinghouse. The Clearinghouse will provide a certification report that comes closest to providing the information you desire. They will not complete your form. All such certifications are official and need no further institutional signatures or seals.

Only those certification requests that require information not in the possession of the National Student Clearinghouse will be handled by the Registrar's Office. In many cases, an official transcript will meet the needs of your request. We are unable to complete agency forms.

To learn more about the National Student Clearinghouse, visit their website at www.studentclearinghouse.org or contact them at 13454 Sunrise Valley Dr., Suite 300, Herndon, VA 20171. Telephone: 703-742-4200 (8:30 a.m. to 7 p.m. EST), FAX 703-742-4239, or e-mail: enrollmentverify@studentclearinghouse.org.

Loan companies, other agencies, and even parents can contact the NSC directly for enrollment verifications.

Please include your legal name, social security number, and date of birth on all correspondence as well as the mailing address of the recipient for the verification.

Dual (or Multiple) Majors

A student may earn two or more majors within a single degree program. It is sometimes possible to complete two or more majors within the minimum number of credits required for a degree, but usually the student must complete additional credits to complete requirements for all of their majors. For this reason, dual majors are most often obtained within the same college. The advisor must complete one graduation audit that includes all of the majors. The student's academic record will list one degree with two or more majors, e.g. Bachelor of Science in Mathematics and Chemistry. The student receives one diploma. Dual majors may be obtained concurrently with the completion of the degree, or in some cases may be earned as a credential subsequent to completion of the degree. (See Academic Regulation 27.)

Double Degrees

A student may earn two different degrees simultaneously. The degrees may be offered by the same college, or by different colleges. To earn double degrees, a student must complete a minimum of 32 credits above the minimum number of credits needed for one of the degrees. Advisors complete a separate graduation audit for each of the degrees. The student receives two diplomas. The international degree is one degree of a double degree. The double degree may be earned concurrently or subsequently. (See Academic Regulation 26.) The student's academic record will list each degree with its major, e.g. Bachelor of Science in Mathematics; Bachelor of Arts in English.

Honors Degrees

Students completing the honors college curriculum receive a single degree in the college of their major, e.g. HBS Honors Bachelor of Science in Chemistry, or HBA Honors Bachelor of Arts in English. In some cases it might be possible for an Honors College student to earn two degrees following the requirements for double degree requirements outlined in Academic Regulation 26.

OSU Directory

The OSU Campus Directory is a directory of staff and student names, addresses and telephone numbers. This information is extracted at the end of the second week of fall term, and is published annually and posted on the OSU website. Students who do not want information to be included in either the printed or electronic version should indicate that in their Directory Profile on the web before the end of the second week of fall term. Just sign on to Student Online Services, select Personal Information then Directory Profile, and then follow the instructions on that page.

Student Grades

Student grades may be obtained via the OSU Student Online Services web pages. Individual copies of grades will be provided (\$10.00 fee) upon request by the Registrar's Office, 102 Kerr, 541-737-4331. Grades are not automatically mailed to the student.

You may request a transcript via the web at no charge: <http://oregonstate.edu/registrar/transcripts.html>.

Grades, GPA calculations, and academic standings are not complete and final prior to 8:00 a.m. on the Wednesday following the final exam week. Grades and GPAs appearing prior to that day may be incomplete.

Other Important Information

Student Life Policies and Regulations

Details of student conduct regulations, academic dishonesty, alcohol use, computer use, disruptive behavior, sexual misconduct and other issues are available on the web pages for the Office of Student Conduct: <http://oregonstate.edu/admin/stucon>.

Student Right-to-Know

The graduation rate and persistence rate for freshmen who entered Oregon State University in 2000 on a full-time basis is provided in the chart below:

Graduation Rates for 1st-time First-years	5-year		6-year	
	Graduation	Graduation plus persistence	Graduation	Graduation plus persistence
Freshmen who entered full-time in 2000				
2,738	54.0%	63.5%	60.0%	64.3%

Figures do not include students who transferred and continued to make progress or graduated from other institutions.

AnswerDesk Website

The AnswerDesk website at <http://www.answerdesk.orst.edu> is designed to help students succeed! It is a website for students to assess their skills, link to campus resources, ask questions, review answers to commonly asked questions, and get valuable information about how to be a successful OSU student.

Graduation Requirements/Catalog Contract Policy

The following points are to be considered when determining the graduation requirements for a given student:

- The printed catalog is the contract with the student.
- The University graduation requirements are based on the student's matriculation date.
- College and major graduation requirements are based on the date of major declaration.
- Current policy requires a student to reapply after not enrolling at OSU for four consecutive terms; the printed catalog for the resulting readmission/matriculation date will become the catalog of record for graduation requirements.
- For Degree Partnership Program students the first term the student registers for courses at OSU will be the matriculation date and will determine the catalog of record for graduation requirements.

Nondegree Students

(This category is designed for students not planning to complete a degree at OSU.)

Nondegree students enrolled in 9 or more credits will pay tuition/fees based on the undergraduate or graduate tuition fee schedule determined by the student’s status.

Nondegree students enrolled 8 or fewer credits will pay tuition/fees at resident rates based on undergraduate or graduate course level. To be eligible to use Student Health Services, you must also pay the student health fee.

For more information, call Student Accounts at 541-737-3775.

Billing and Payment Information

All fees (tuition, room, board, etc.) are due in full on the first day of each term. Students are sent a bill each month around the 5th detailing all charges, credits, and payments on their account. Tuition assessments will occur bi-weekly prior to the start of the term. Beginning the first day of the term, tuition assessments will occur daily.

You may pay your tuition/fees and other charges on your account in any of the following ways:

- Online by eCheck through eBill at: <http://mybill.oregonstate.edu>
Login with your student ID and GAP.

Fees and Fee Payment 2007–2008

- Online with Visa or MasterCard through the OSU home page at <http://oregonstate.edu/>. Click on Student Online Services, then click on Online Services Quick Login, then under Account Information select the credit payment link. **Please note the convenience fee charged.**
- By mail: send check or money order drawn on a U.S. bank (do not send cash) to OSU Cashiers, PO Box 1086, Corvallis, OR 97339.
- By drop boxes in the Memorial Union or the lobby of the Kerr Administration Building.
- In person at the Cashier's windows in the Kerr Administration Building. Please bring your student ID to expedite processing.

Debit cards are not accepted. Cashiers cannot process "cash back" payments for checks written in excess of the account balance. Students paying with checks exceeding the balance owed may not request the refund of the additional amount for 10 working days.

Unpaid balances after the first of the month are considered past due, and will be assessed interest at the rate of 1% per month (12% APR). Your student account information is available online at <http://oregonstate.edu/>. Click on Student Online Services, and then click on Online Services Quick Login.

If you are enrolled for the current term, you will be allowed to register for the following term only if your account balance does not exceed \$2,200.00. If you are not currently enrolled, you must have your account balance paid in full in order to register.

Requests for transcripts cannot be processed until your account balance is paid in full.

Financial Aid

Scholarships, Student Loans, and Grants

Approved scholarships, student loans, and grant awards will be applied automatically to registered students' accounts. You can monitor your account via InfOSU and Student Online Services, to see if your financial aid has been disbursed to your account. If financial aid amounts exceed the amount of qualifying tuition/fees expenses owed, a refund will be generated if the surplus exceeds \$1.00. Distribution of the refund can be made by direct deposit or check.

- If you would like direct deposit of your financial aid refund, complete the Direct Deposit form found through Student Online Services or Student Finance website at <http://oregonstate.edu/fa/businessaffairs/forms.php#studentfinance>.
- If you would like your refund as a check, your current mailing address must be up to date for all check processing. You can do this through Student Online Services.

For full details, visit the Office of Business Affairs Website. Hold the cursor over "Student Finance" and click on "Policies and Procedures." Then click on "Financial Aid Refund Policy."

Beginning the third week of the term, students eligible for refunds due to financial aid or scholarship disbursements may request a refund at the Cashier's Office or through e-mail at refund@oregonstate.edu or receive a refund through the weekly generated refund process.

Emergency Loans

Emergency loans, not to exceed \$250.00 per term, are available to students in good financial standing, attending at least half time, and formally admitted to the university. Loans are to be repaid by the last day of the current term. Loan amounts become part of the revolving account balance, and carry

interest at 1% per month (12% APR). Forms to apply for an emergency loan may be picked up in the lobby of Kerr Administration and turned in at the cashier's window for review by Student Accounts.

Drop/Withdraw Refunds

Students who drop or withdraw from a class, or withdraw from the university may be eligible for a tuition refund. Refunds are based on assessed tuition, course fees, and mandatory fees, and are calculated from the date you officially drop, withdraw, or cancel your registration or reduce your class load, not the last date of class attendance. Please see "Registration Cancellation/Withdrawal from the University."

Refunds are processed as a credit on your account. A check will be issued to you if any credit balance remains after other charges and financial aid repayments have been satisfied. No refunds are authorized for persons paying staff rates. Allow about two weeks for processing a refund. Your refund will be sent to your current mailing address. Be sure to update your current mailing address online in Student Online Services.

The **Tuition/Fee Reduction Schedule** below follows those policies as established by the Oregon University System (there are no refunds given for persons paying staff rates):

How to Handle an Error in Billing

If there appears to be an error on your monthly statement, use the following guidelines:

Graduate Assistants: Errors may occur due to incorrect rate codes. Please notify your department.

Residents Billed Non-Resident Rates: Pay the amount appropriate for a resident and then go to the Office of Admissions to confirm your residency status. You will be advised as to the next action to take.

Financial Aid Not Applied: If financial aid has not been applied you should verify approval of scholarships and grants at the Office of Financial Aid and Scholarships, 218 Kerr Administration Building.

Support Payments Not Applied: Verify approval for support billing at Business Affairs, 100 Kerr Administration Building.

Housing: Verify the billed amount with the Student Housing Office, 102 Buxton, 737-4771.

Any Other Billing Amount Errors: Pay based upon the correct amount, then go to Business Affairs, 100 Kerr Administration Building for assistance.

Introduction

These regulations and procedures are published to assist students by providing information that is essential for planning and pursuing their academic programs. Continuing efforts are made each year by the students, faculty, and administration to revise and improve these regulations in order to enhance the quality of the university's programs and the achievement of educational goals.

Every student is responsible for knowing the academic regulations and for observing the procedures that govern his or her relations with Oregon State University. Unless otherwise specified, these regulations apply to both undergraduate and graduate students. Any question regarding these regulations that cannot be answered by a student's academic advisor should be referred directly to the Office of the Registrar (102 KAd). Additional information regarding Graduate School policies should be addressed to the Office of the Graduate Dean (300 KAd).

Some students encounter special problems whose proper solution may require deviations from the academic regulations or procedures. Requests for such deviations in the regulations below must be presented to the Office of the Registrar on petition forms, which are available in that office. Petitions received by the Registrar will be forwarded to the proper committee or office for review and appropriate action. Requests for deviations from Graduate School policies should be presented by letter to the graduate dean (See *Graduate School* section of this catalog).

Other special problems may involve academic issues such as academic freedom in the classroom or evaluations of a student's academic performance. All students should appeal academic grievances first to the instructor of the course and then to the chairman or head of the department in which the course is offered. If the situation is not resolved to the student's satisfaction, an undergraduate student should consult with the head advisor of the college in which the course is offered to obtain further information about appeal procedures of the college or university; a graduate student should consult the dean of the Graduate School regarding academic appeal procedures above the departmental level. (Appeal procedures for other than academic grievances, e.g., grievances regarding student employment, financial aid, housing, discipline, human rights, etc. are outlined in the Student Life Policy and Regulations, which are available on the OSU website under "Student Conduct" or from the Office of Student Involvement, 149 MU East. Some of these regulations pertain to both undergraduate and graduate students. The *Graduate School* section of this catalog outlines both academic appeal procedures and those relating to the employment of graduate students.)

AR 1. Admission for Nondegree Students

- a. Nondegree enrollment status for undergraduate students is designed for students who wish to take eight or fewer credits per term, but do not wish to pursue a degree or a specific postbaccalaureate credential.
- b. Nondegree enrollment status for graduate students is designed for student(s) who wish to take graduate courses but do not wish to pursue an advanced degree. Nondegree graduate students are not limited as to the number of courses (credits) per term.
- c. Credits earned as a nondegree undergraduate student may be used to satisfy degree requirements upon admission as a degree-seeking student.
- d. Credits earned while enrolled as a nondegree graduate student will not necessarily apply to a graduate program upon admission to degree-seeking status. The student should refer to the admission requirements given in the *Graduate School* section of this catalog. Communication with the Graduate School and specific academic programs is advised.
- e. Nondegree students seeking admission to a degree program may do so by filing an undergraduate, postbaccalaureate, or graduate application for admission.

AR 2. Credit From A Two-Year Institution (Undergraduate Students)

- a. **College Transfer Credits:** Oregon State University accepts for credit toward a baccalaureate degree all college transfer work completed at an Oregon or other accredited community college up to 124 lower-division quarter credits. For Institutional Requirements for Baccalaureate Degrees, see AR 25. Students are cautioned that even though OSU may accept 124 credits, these credits may not satisfy the course requirements for their OSU baccalaureate degree. Students are encouraged to work with the relevant academic unit to ensure that transfer credits meet department and college requirements for the degree. Transfer credits and grades are not used in calculating the OSU cumulative GPA. Students who hold OSU-approved direct transfer degrees from Oregon or other accredited community colleges (e.g., the Associate of Arts

Academic Regulations

Oregon Transfer) or who have 90 or more credits accepted in transfer will be granted junior standing.¹ Students who hold OSU-approved direct transfer degrees will be considered to have met the Perspectives and Skills (except WIC) areas of the baccalaureate core. In addition, they must complete the upper-division Synthesis areas of the core. Students transferring from Oregon or other accredited community colleges who do not hold approved direct transfer degrees ordinarily will be given baccalaureate core credit in the Perspectives and Skills area on a course-by-course basis for work that is judged to be equivalent in content.

- b. **Transfer of Professional-Technical Credits:** a maximum of 12 quarter credits (8 semester credits) of professional-technical course work applicable in an associates degree or certificate program at an accredited institution can be accepted upon admission to OSU as general elective credit (graded as Pass) and as part of the 124-quarter credit total that can be applied toward a baccalaureate degree.
- c. **Transfer of Professional-Technical Course Credits through Articulation Agreements:** Lower-division OSU credit may be awarded for specific professional-technical community college courses when those courses are validated by articulation agreement with the appropriate OSU department. This may be above the 12 quarter credits of general electives (graded as Pass) allowed when a student is admitted to OSU. Credit will be awarded only upon the recommendation of the appropriate department and college, and approval by the Curriculum Council. Community college professional-technical course work is not equated to upper-division OSU course work. These course credits will count as part of the 124 quarter credits defined in paragraph 2a above. OSU departments that have articulation agreements with community colleges regarding community college professional-technical courses shall review the agreements annually and forward a dated list of the articulated community college courses to the Curriculum Council.

AR 3. Credit From An Unaccredited Institution (Undergraduates)

After three terms of work at Oregon State University satisfactory to the Undergraduate Admissions Committee, a student may request validation of work done in an unaccredited institution of collegiate rank. The committee will consider each petition separately and base its decision on all information available. In some instances, informal examinations by the departments concerned may be required. Credit for transfer of professional-technical work will be awarded in accordance with paragraphs 2b and 2c.

AR 4. Classifying Students

- a. **Undergraduate students:** A student who has earned at least 45 credits is classified as a sophomore. A student who has earned at least 90 credits is classified as a junior. A student who has earned at least 135 credits is classified as a senior.
- b. **Postbaccalaureate students:** A student holding a baccalaureate degree who is admitted to work toward a second baccalaureate degree or teaching certificate is classified as a postbaccalaureate student.
- c. **Graduate students:** A student who has been admitted to the Graduate School is classified as a graduate student.

AR 5. Transfer From One College To Another (Undergraduate Students)

Registered students may transfer from one college to another at any time. Returning but not-registered students may transfer colleges between the dates of readmission and registration.

AR 6. Change In Credits Scheduled

No change may be made in the number of credits specified for the various courses and published in the OSU *General Catalog*.

AR 7. Maximum and Minimum Registration

- a. The minimum number of credits for which a full-time undergraduate student may register is 12, and the maximum is 19, regardless of the method of grading used for the classes selected. (In determining the load for students not normally held responsible for physical education, the credits in activity courses in physical education will be disregarded.) The maximum may be extended:
 1. Up to and including 24 credits when a student has completed in his or her most recent term at least 12 credits in courses other than those graded P/N and S/U with a grade point average of 3.00 or better or when a student has filed with the Registrar a petition approved by his or her advisor and college dean (or head advisor).
 2. Over 24 credits by petition approved by a student's advisor and college dean (or head advisor) and the Academic Requirements Committee and filed with the registrar
- b. The minimum number of credits for a full-time graduate student is 9; the maximum is 16. The maximum can be extended by approval of the dean of the Graduate School.
 1. Degree seeking graduate students must take a minimum of 3 credits for any term in which they are enrolled.
 2. The following FTE and credit allowances are permitted for graduate students holding an academic appointment.

FTE	Credits
.15 to .29	15
.30 to .50	12

Appointees on graduate assistantships are limited to the above credits during each term.

AR 8. Late Registration

Registration is permitted through the tenth class day of each term. Late fees are assessed in accordance with the fee policies stated in the *Schedule of Classes*.

AR 9. Admission To Class

- a. Instructors will receive lists of students in their classes within two days after the opening of the term. Subsequent lists will include the names of later registrants. Students whose names appear on these lists are officially registered; others are to be referred immediately to the Registrar's Office for completion of registration.
- b. If it is anticipated that the demand for enrollment in a given course will exceed the maximum number that can be accommodated, the department offering the course may designate it in the *Schedule of Classes* with the code "NSHD" (no-show-drop). A student who is registered for such a course who attends no meetings of the course during the first five school days of the term will be dropped from the course by the instructor, unless the student has obtained prior permission for absence. If such action is taken, the instructor will send written notice through the department to the Registrar's Office, which

Academic Regulations

in turn will notify the student that the course has been dropped from his or her schedule. Students should not assume they have been dropped unless they receive notification from the Registrar's Office. No fee will be charged.

AR 10. Eligibility

To be eligible to hold office or to participate in any extracurricular activity supervised by Oregon State University, students must meet certain requirements.

- For student activities, students are responsible for following the Student Life Policy and procedures.
- Participation in intercollegiate athletics, students must meet all institutional PAC-10, and NCAA requirements. Students should contact the Compliance Office in the Department of Intercollegiate Athletics on all such matters.

AR 11. Adding and Dropping Courses

- Students may add courses through the first ten class days of each term, depending on the nature of the course and the availability of space. From the sixth class day through the tenth class day of each term, permission (signature) of the instructor offering the course must be obtained.
- A student may drop courses without responsibility for grades through the tenth class day of each term. After the tenth class day of each term courses may not be dropped. Failure to drop a course properly will result in an F grade being recorded; courses properly dropped do not appear on the student's transcript
- Add/drop fees will be assessed in accordance with the fee policies stated in the *Schedule of Classes*.

AR 12. Withdrawal From Individual Courses

Students may withdraw from a course with a W grade after the tenth day of classes and through the end of the seventh week of classes. After the seventh week of classes, students are expected to complete the program attempted and will receive letter grades (A, B, C, D, F, I, S, U, P, N) for all courses in which enrolled unless they officially withdraw from the university. Procedures for withdrawal from individual courses are outlined in the term *Schedule of Classes*.

AR 13. Withdrawal From the University

- Any student in good standing (See AR 22) is entitled to withdraw without prejudice at any time prior to the beginning of finals week. This may be accomplished by the student obtaining from the Registrar's Office the proper form and directions for completing the process.
- Withdrawal from the university prior to the beginning of finals week will result in the grade of W being recorded for each course for which the student is registered.
- When a student's academic progress is interrupted by an emergency situation such as serious illness, accident, or death of a family member, within the last four weeks of the term, and the student submits evidence of such to the Registrar, he or she may withdraw from the university with I grades in all subjects.

AR 14. Attendance

Attendance is one of the most important factors in a student's academic success. Therefore, an instructor may consider attendance in arriving at a student's grade. While attendance should not be the primary factor in determining a student's academic accomplishment in a course, it may be used as a partial measure of performance.

AR 15. Honesty in Academic Work

The administration of the classroom rests with the instructor. When evidence of academic dishonesty comes to the instructor's attention, the instructor should

- document the incident,
- permit the accused student to provide an explanation,
- advise the student of possible penalties, and
- take action.

The instructor may impose any academic penalty up to and including an "F" grade in the course after consulting with his or her department chair and informing the student of the action taken. Using the standard form, the instructor must report the incident and the action taken to his or her department chair, who, in turn, shall forward the report to his or her dean.

If the student is not enrolled in the college or school in which the course is offered, the dean of that college shall forward the report to the dean of the college or school in which the student is enrolled for possible disciplinary action.

Grade penalties imposed as a result of academic dishonesty may be appealed by the student in accordance with the procedures developed by the department and college or school in which the course is offered.

AR 16. Finals Week

- No final, midterm, or comprehensive examinations shall be given during the week preceding final examination week. (Examinations on laboratory work, course material covered by "weekly" or "section" quizzes, television courses, ROTC activities, and physical education activities are allowed.)
- Course work shall continue up to final week. Final examinations shall be given during finals week in accordance with the finals week schedule. If a final examination is not to be given in a course, this action must be approved by the department with notification to the Registrar's Office. Requests for changes in the time of final examinations will be submitted to the Registrar's Office.
- All student petitions for changes in the time of final examinations must be made using forms available from the Registrar's Office. (A summary of university final examination policy is printed on the form.) Petitions for changing final examinations are submitted directly to the instructor. Students may forward disapproved petitions through the dean of the college to the Registrar's Office. Requests to change the assigned final examination time for an entire class must be approved by the Registrar's Office. Final examinations may not be changed to the week preceding final week without approval of the Academic Requirements Committee.
- No extracurricular activities or curricular activities other than examinations and final class meetings shall be scheduled during final week.

Academic Regulations

AR 17. Grades

The grading system consists of twelve basic grades, A, A–, B+, B, B–, C+, C, C–, D+, D, D–, and F. The grade of A denotes exceptional accomplishment; B, superior; C, average; D, inferior; F, failure. Other marks are I, incomplete; W, withdrawal; R, thesis in progress; P, pass; N, no-credit; S, satisfactory; U, unsatisfactory; AUD, audited course; WAU, withdrawal from audited course.

When a requirement of a course has not been completed for reasons acceptable to the instructor and the rest of the academic work is passing, a report of I (incomplete) may be made and additional time granted. The I is only granted at the discretion of the instructor. The instructor must submit the grade the student will earn if the missing work is not completed. That alternate grade will become the default grade if the missing work is not completed. The instructor documents the deficiency and the deadline for completing the missing work. A record of the deficiency shall be kept on file in the unit or department office. The allotted time awarded shall in no case exceed one calendar year or the time of the degree conferral, whichever comes first. To remove the I grade, the student must complete the deficiency within the allotted time and the instructor will then submit the appropriate grade. If the student fails to complete the work within the allotted time, the Registrar's Office will automatically change the I grade on the student's record to the alternate grade submitted by the instructor at the time the I was given. The alternate grade will be included in the grade point average. Under no circumstances shall a student who earns an A–F grade or an N or U grade have their grade changed retroactively to an I grade.

An instructor may move to correct a grade by filing a Change of Grade Card in the Registrar's Office. The Office of the Registrar will routinely review grade changes.

AR 18. Alternative Grading Systems

In addition to traditional letter grading (A–F), Oregon State University has adopted two alternative grading systems to be employed in accordance with the provisions outlined below:

a. Satisfactory/Unsatisfactory (S/U)

1. Undergraduate students may elect to be graded on a Satisfactory/Unsatisfactory (S/U) basis in any course of their choice (except P/N courses) under the following conditions:
 - (a) A maximum of 36 credits of those presented in satisfaction of the baccalaureate degree may have been graded on an S/U basis at Oregon State University. The maximum for students transferring to Oregon State University from another institution is equal to the number of terms enrolled as a full-time student at Oregon State University multiplied by three.
 - (b) A student normally elects the option S/U at the time of registration. Changes either to or from S/U grading will be permitted through the end of the seventh week of any term.
 - (c) A student must obtain the approval of his or her academic advisor or dean in order to elect to be graded on an S/U basis.

2. Graduate students may elect to take undergraduate courses on the S/U basis except those courses required for the removal of deficiencies. Graduate courses may also be taken on an S/U basis. (Such courses cannot be used as part of a student's graduate program. All other provisions of S/U grading apply to graduate students.)
 3. A grade of S (satisfactory) shall be equivalent to grades A, A–, B+, B, B–, C+, C, and C–. A grade of U (unsatisfactory) shall be equivalent to grades D+, D, D–, or F.
 4. Grades of S or U shall have no grade point equivalents; hence such grades shall not be included in the computation of grade point averages. The credit of courses in which an S grade is obtained shall be counted toward graduation. Credits shall not be awarded for U grades.
 5. Election of S/U grading for a course shall be known only to the student and the academic advisor. Instructors shall enter on grade forms the traditional letter grade (A–F) earned. Automatic conversion to S grades and to U grades will be made in the Registrar's Office. Grades of I, or W may be assigned wherever appropriate.
 6. In compliance with Section III of the Statement on Student Rights, Freedoms, and Responsibilities (dated April 28, 1969), disclosure or nondisclosure of the traditional letter grades received in courses in which S grades were awarded is recognized as an exclusive right of the individual student. The Registrar's Office is obliged and authorized to honor requests for disclosure, provided that the express consent of the student is obtained.
- b. Pass/No Credit (P/N)
1. Those courses in which traditional letter grading has been deemed inappropriate because of the nature of the course content or the objectives of the course are graded on a Pass/No Credit (P/N) basis.
 2. Grades of P or N shall have no grade point equivalents; hence such grades shall not be included in the computation of grade point averages. The credits of courses in which a grade of P is obtained shall be counted toward graduation. Credit shall not be awarded for N grades.
 3. Departments are authorized to designate Pass/No Credit courses, subject to the following guidelines and procedures:
 - (a) The principal criterion for choice of grading system is enhancement of the educational experience for the student;
 - (b) The nature, structure, and/or objectives of a course may suggest that the Pass/No Credit grading system be adopted. It is anticipated that courses graded on this basis will generally fall into one of the following categories: skill-building courses or practicums, courses which stress orientation and awareness rather than academic preparation;
 - (c) The designation of Pass/No Credit grading for a course will follow the academic college's recommendation and approval by the University Curriculum Council, and in the case of graduate courses, by the Graduate Council. Designation of courses for P/N grading must be completed prior to the opening of the term in which the course is offered and normally prior to preparation of the *Schedule of Classes*.
 4. Courses approved for grading on a Pass/No Credit (P/N) basis are identified in the *General Catalog* course descriptions and in the *Schedule of Classes*.
- c. Nothing stated in the above paragraphs shall be construed as constituting support for petitions requesting change of grade in courses taken during or prior to spring term, 1971.

Academic Regulations

AR 19. Grade Points

Grade points are computed on the basis of 4 points for each credit of A grade, 3.7 for each credit of A– grade, 3.3 for each credit of B+ grade, 3.0 for each credit of B grade, 2.7 for each credit of B– grade, 2.3 for each credit of C+ grade, 2.0 for each credit of C grade, 1.7 for each credit of C– grade, 1.3 for each credit of D+ grade, 1.0 for each credit of D grade, .7 for each credit of D– grade, and 0 for each credit of F. Marks of I, W, P, N, R, S, U, AUD, and WAU are disregarded in the computation of points. The grade point average (GPA) is the quotient of total points divided by total credits; total credits are the number of term credits in which grades A, B, C, D, and F are received. Thus a person receiving 1 credit of A, 2 credits of B, 3 credits of C, 4 credits of D, 5 credits of F would have 20 grade points (1 x 4 plus 2 x 3 plus 3 x 2 plus 4 x 1 plus 5 x 0). The grade point average would be 20 (grade points) divided by 15 (credits) equals 1.33. A “C” average on 15 credits attempted would require 30 grade points; if the student has 20 points, he or she is 10 grade points deficient.

AR 20. Repeated Courses

Courses may be repeated once for grade replacement. Both grades will appear on the academic record, but only the second grade will be counted in the cumulative grade point average and toward graduation requirements. Courses taken more than two times will appear on the academic record but not count in the cumulative grade point average. Regardless of the number of times a course is repeated, credits earned will be counted only once for graduation requirements. Recognized repeatable courses, such as activity courses, research, seminars, and selected topics, do not come under this restriction. A student receiving an A–F grade can only replace such a grade in the GPA calculation with another A–F grade (not with an S/U grade.)

AR 21. Honor Roll

At the close of each term, the OSU Registrar publishes a list containing the names of all undergraduate and postbaccalaureate students who for the term have completed at least 12 graded credits with a grade point average of 3.50 or above.

AR 22. Satisfactory Academic Standing

Oregon State University expects students to maintain satisfactory academic progress toward degree completion. At the conclusion of each term, grade point averages are calculated and academic standings determined for students seeking a baccalaureate degree according to the criteria outlined below. Students whose standings evidence a lack of satisfactory progress will be warned of this condition and advised to seek help from their academic advisors.

- Academic Warning:** Students with a term GPA below 2.0 will be placed on Academic Warning.
- Academic Probation:** Students who have completed two or more terms at OSU and have an OSU cumulative GPA below 2.0 will be placed on Academic Probation. Students who attain a cumulative GPA of 2.0 or better are removed from Academic Probation.
- Academic Suspension:** Students who are on Academic Probation and have a subsequent term GPA below 2.0 will be placed on Academic Suspension. Academic Suspension is recorded on the student’s academic record. Students who are academically suspended are denied all the privileges of the institution and of all organizations in any way connected to it, including any university-recognized living group.

d. **Reinstatement To The University:** Suspended students will be considered for reinstatement to the university after two years or completion of a minimum of 24 quarter credits of transferable college-level work at an accredited college or university, with a GPA of 2.5 or above.

The Faculty Senate Committee on Academic Standing is charged with the responsibility for enforcement of the above regulations on Satisfactory Academic Standing. Additionally, this committee has discretionary authority to grant exceptions and to develop guidelines for the administration of these regulations.

AR 23. Special Examination for Credit

A regularly enrolled student in good standing, either graduate or undergraduate, currently registered at Oregon State University and wishing credit for an OSU course for which a grade has not been previously received, may petition for credit examination under the following conditions:

- The application for such examination shall be presented on an Official Student Petition and shall bear the approvals of the dean of the student’s college, the dean of the college in which the course is offered, and head of the department in which the course is offered.
- In no case may such examination be based on work used for graduation from high school, or in a foreign language that is the mother tongue of the applicant, or in courses not listed in the Oregon State University *General Catalog*.
- Grades earned in special examinations shall be submitted and recorded in the same way as for regularly registered courses.
- A student may not petition for credit by special examination for a course in any term in which the student is or has been enrolled in the course after the add/drop deadline for that term.
- An examination for credit will not be approved for courses below the level for which college credit has previously been granted.
- All special examinations must be authorized by the Academic Requirements Committee, and no examination may be taken until the applicant has received a permit from the Registrar’s Office, for which a fee of \$80 will be charged.²

AR 24. Special Examination for Waiver (Undergraduate Students)

A student may petition for examination to waive a course under the following conditions:

- The application for examination to waive a course shall be presented on an Official Student Petition and shall bear the recommendations of the dean of the student’s college, the dean of the college in which the course is offered, and head of the department in which the course is offered.
- All examinations for waiver must be authorized by the Academic Requirements Committee, and no examination may be taken until the applicant has received a permit from the Registrar’s Office, for which a fee of \$80 will be charged.
- A minimum grade of C (or equivalent) must be attained in an examination for waiver.
- Credit will not be granted for courses waived.
- This regulation does not invalidate the right of a dean of a college or head of a department to waive a course requirement of a particular college or department.

Academic Regulations

AR 25. Institutional Requirements for Baccalaureate Degrees

a. **Baccalaureate Core:** Each student will complete the following requirements:

1. Skills Courses (15 credits)

- Fitness (3 credits)
- Mathematics (3 credits)
- Writing I (3 credits)
- Writing II (3 credits)
- Writing III/Speech (3 credits)

2. Perspective Courses (24 credits)

- Physical science (with lab) (4 credits)
- Biological science (with lab) (4 credits)
- Plus choice of second course in either of the above (with lab) (4 credits)
- Take a minimum of one course in each of the following areas:
 - Western culture (3 credits)
 - Cultural diversity (3 credits)
 - Literature and the arts (3 credits)
 - Social processes and institutions (3 credits)

3. Difference, Power, and Discrimination Courses (3 credits)

4. Synthesis Courses (6 credits)

- Science, technology, and society (3 credits)
- Contemporary global issues (3 credits)

5. Writing Intensive Courses, upper division (WIC) (3 credits)

The **Baccalaureate Core Committee** determines which courses will satisfy each of the requirements above. WIC courses will be reviewed by the Writing Advisory Board. The core is governed by the following rules:

1. No more than two courses from any one department may be used by a student to satisfy the Perspectives category of the core.
2. No single course may be used by a student to satisfy more than one subject area of the core even though some courses have been approved in more than one area.
3. Both Synthesis courses may not be taken in the same department.³

b. **An undergraduate student may be granted a baccalaureate degree with one or more majors.**

c. **Credits:** Minimum 180, which must include:⁴

1. **Credits in upper-division courses:** minimum 60 (exclusive of upper-division physical education activity courses).
2. **Credits in each major:** minimum, 36, including at least 24 in upper-division courses.

d. **Baccalaureate Degrees:** All students receiving a BA degree shall have proficiency in a foreign language equivalent to that attained at the end of the second year sequence with a grade of C- or better as certified by the Department of Foreign Languages and Literatures. Colleges offering both the BA and the BS will have specific requirements distinguishing the two degrees. The college requirements for the two degrees will place comparable demands upon the time and effort of students, and that assessment of comparability will include the foreign language requirement for the BA. Departments offering both the BA and BS may have specific requirements distinguishing the two degrees.

e. **Grade Point Average:** minimum of 2.00 on OSU cumulative grade point average.

f. **Academic Residence:**

1. A minimum of 45 of the last 75 credits must be completed while the student is in academic residence at OSU. "Academic Residence" is defined as OSU courses taken as a degree-seeking student of OSU or courses through one of the following approved special programs: Professional degree programs which require that the student enroll in another institution while finishing the bachelor's degree at OSU or an international study program sponsored by the Oregon University System.

2. A minimum of 15 upper-division credits used to meet the preceding residency requirement (1) must be taken in each of the student's majors.

3. Credits earned by special examination for credit (AR 23) are not considered in academic residence.

g. **Dean's certification of fulfillment of all requirements of major college.** (For details, see college advisors and deans.)

h. **Restrictions**

1. Correspondence study: maximum, 60 credits.

2. Law or medicine: maximum, 48 term credits.

3. Music (applied music): maximum, 12 credits. (Restrictions not applicable to majors in music.)

4. Physical activity course: maximum, 11 credits.

5. A maximum of 36 credits of those presented in satisfaction of the baccalaureate degree may have been graded on an S/U basis at Oregon State University. The maximum for students transferring to Oregon State University from another institution is equal to the number of terms enrolled as a full-time student at Oregon State University multiplied by three.

6. Academic Learning Service courses: maximum of 15 credits.

i. **Application for degree:** To become a candidate for a degree, a student must have achieved senior standing and must make formal application for the degree. The student must file an application with the registrar during the first week of the term preceding the term in which he or she expects to complete requirements for a degree.

AR 26. Concurrent and Subsequent Baccalaureate Degrees

a. **Concurrent Baccalaureate Degrees:** An undergraduate student may be granted two or more baccalaureate degrees (for example the BA or BS) at the same graduation exercise. The student must:

1. Complete institutional, college, and departmental requirements for the degree;
2. Complete, for each additional degree, a minimum of 32 credits more than the requirements of the curriculum requiring the least number of credits; and
3. Complete each additional 32 credits in residence.

b. **Subsequent Baccalaureate Degree:** A student who has received a previous baccalaureate degree from either OSU or another accredited university may be granted a subsequent baccalaureate degree. The student must:

1. Complete, for a BA degree, the requirements for foreign language proficiency (AR 25d);
2. Achieve a minimum of 2.00 on OSU cumulative grade point average;
3. Complete requirements of the major college and receive the dean's certification; and

Academic Regulations

4. Meet the requirements for a concurrent degree as specified in AR 26a, if a previous baccalaureate degree has been received from OSU. The additional credits may be taken at any time prior to or subsequent to the granting of a previous OSU baccalaureate degree. Students with a baccalaureate degree from another institution must meet the Academic Residence requirement in AR 25f.
- c. A student seeking a baccalaureate degree under the provisions of either AR 26a or AR 26b also must satisfy the appropriate residence requirements as defined in AR 25f.

AR 27. Subsequent Credentials: Minors, Certificates, Options, and Majors

- a. **Subsequent Minors and Certificates:** A student who has received a previous baccalaureate degree from either OSU or another accredited university or college may be granted a subsequent minor or certificate. The student must:
 1. Complete current requirements for minor or certificate and receive the dean's approval;
 2. Achieve a minimum of 2.0 OSU cumulative grade point average on work taken for subsequent credential;
 3. Academic residence: minimum 15 credits in residence.
- b. **Subsequent Options and Majors:** A student who has received a previous baccalaureate degree from OSU may be granted a subsequent option or major credential:
 1. Complete current requirements for option or major and receive dean's approval;
 2. Achieve a minimum of 2.0 OSU cumulative grade point average on work taken for subsequent credential;
 3. Academic residence: minimum 15 credits in residence.
- c. Additional credits necessary for subsequent credentials may be taken prior to or subsequent to the granting of a previous baccalaureate degree.

AR 28. Substitutions

- a. **Undergraduate students:** Substitutions for institutional requirements as outlined in AR 25, except for baccalaureate core requirements of AR 25a, may be petitioned to the Academic Requirements Committee after approval by the student's dean or college head advisor. Substitutions for baccalaureate core requirements of AR 25a may be presented for consideration to the student's dean or college head advisor. Substitutions or adjustments of college or departmental requirements are also subject to approval by the college or department.
- b. **Graduate students:** Substitutions for institutional requirements or deviations from the normal Graduate School regulations and policies may be made only by obtaining the approval of the dean of the Graduate School following a petition by means of a letter signed by the student and the student's major professor. Action taken on such substitutions or petitions will not be considered as a precedent for any future action.

AR 29. Graduation Exercises

Attendance at graduation exercises is optional for graduating students. In accordance with procedures obtained from the Registrar's Office, the candidate is responsible for declaring whether or not he or she will attend commencement, regardless of the term in which requirements are completed.

AR 30. Auditing Courses

Audit registration permits a student to enroll in a course for no credit and no grade. Course requirements for an audited course will be determined by the course instructor. Audit registration is available to admitted and non-admitted students. Audit registration begins on the sixth day of registration and ends with the close of registration at the conclusion of the tenth day of class. Those who wish to audit should contact the Registrar's Office for registration procedures, which will require approval of the course instructor. Audit courses are assessed instructional fees at the same rate as for credit courses. Any changes to an audit registration are subject to the same procedures, deadlines, and special fees as for registration changes to regular courses. Upon completion of an audited course, the designation of "AUD" will be recorded on the transcript. The designation of "WAU" will be recorded on the transcript for students who withdraw from an audit course.

Footnotes

1. Junior standing does not necessarily imply that OSU institutional, college, division, and/or departmental requirements, which are normally satisfied by OSU students prior to their junior year, have been satisfied.
2. As an alternative to departmental examinations, students may seek credit through the College Level Examination Program (CLEP) to the College Entrance Examination Board. CLEP includes nationally normed subject matter examinations and general examinations covering material included in a number of relatively standard courses taught in colleges and universities throughout the United States. Some of these subject matter examinations and general examinations have been accepted by departments at this institution. Policy guidelines have been established that make it possible for admitted and enrolled students to (a) transfer credits earned through these accepted CLEP subject matter and general examinations to this institution, providing certain criteria are met, and (b) earn credits through accepted CLEP subject matter and general examinations providing certain criteria are met. Further information about CLEP can be obtained from University Counseling and Psychological Services, 5th floor, Snell-MU East.
3. Lists of approved courses may be obtained from advisors. Approved courses are also listed in the *OSU General Catalog*.
4. Some degree programs may require more than 180 credits.

Final Week Schedule 2007–08

Finals Week on the Web:

For examination days and times, go to: <http://catalog.oregonstate.edu/> then select Registration.

Schedule by Class Meeting Hours

Times for Final Examinations in most classes are determined by hour of first weekly lecture. A class meeting first M 800 will have its final examination fall term R 1800. Except for a class which commences "1700 or after"; a class having its first lecture on W or F will follow the M listing; a class having its first lecture on R or S will follow the T listing; and a class having its first meeting at a time not listed below will follow the T 1600 listing. Where warranted by enrollment or number of sections, certain courses will have group examinations as indicated on this page under "Schedule of Group Examinations." Go to: <http://catalog.oregonstate.edu/> then select Registration.

During dead week, students can verify the location of their final examinations by checking with their course professor or by looking at their schedule in Student Online Services. For classes scheduled for a group final, the course professor will tell their students where to report.

- Conflicts should be resolved Friday 1200 or Friday 1400, or at mutual convenience of the instructor and student. Order of priority in determining which class takes precedence in the event of conflicts: Institution-required courses, major courses, minor courses, electives.
- Examinations are given in regular classrooms unless different rooms are requested through the deans and assigned by the scheduling coordinator, Registrar's Office.
- Examination periods are 110 min. (1 hour, 50 min.)

Schedule of Group Examinations

Examination times for the following courses will be used in place of the time in the scheduled by class meeting hours. See <http://catalog.oregonstate.edu/> then select Registration.

Final Examination Policy

(Policy as reviewed and modified by the Committee on Examinations 1987–88 and approved by Academic Affairs with the concurrence of the Executive Committee of the Faculty Senate.)

1. Final examinations are administered during the final class meeting, in accordance with the "Final Week Schedule" as published in the Schedule of Classes. Final examinations shall not be given during "dead week." (See Academic Regulation 16).
2. Final examinations will be 110 minutes (1 hour, 50 minutes) long.
3. Requests for a change in the time of a final examination should be submitted by the instructor to the Registrar prior to the end of the fifth week of the term in which the examination is scheduled. The request must contain the supporting endorsements of the department chair and dean.
4. A student request to change the time of a final examination should be presented directly to the instructor. Students need to be aware that rescheduling a final examination may not be possible even for the most meritorious reasons. Students may forward denied requests through the dean of the college to the university registrar for additional consideration. Approvals are normally limited to the following reasons:
 - a) Conflict with working hours on a job that has been held during the term, and for which working schedules cannot be readily adjusted. Example: driving a school bus.
 - b) Religious reasons.
 - c) Four finals in one day, where amicable agreement cannot be reached by the student and the instructors (a solution following the rules on schedule conflicts as shown on the Final Week Schedule page will be used).
 - d) Military obligations verified in writing. Example: military orders, preinduction physical.
 - e) Other exceptional hardship cases.
 Petitions for reasons of personal convenience are generally not approved. Read all the details on the Final Week Schedule at the back of this book.

Academic Glossary

This information is provided to assist you in finding your way through academic life at OSU.

Academic Probation: Students who have completed two or more terms at OSU and have an OSU cumulative GPA below 2.0 will be placed on probation. Students who attain a cumulative GPA of 2.0 or better are removed from academic probation.

Academic Suspension: Students who are on probation and have a subsequent term GPA of less than 2.0 will be placed on suspension. A student who has been suspended from OSU is prohibited from enrolling in classes, and must fulfill specified criteria before being re-admitted to the university (see Academic Regulations #22). Academic suspension is recorded on the student's academic record.

Academic Warning: Students with a term GPA below 2.0 will be placed on academic warning.

Academic Year: The time period containing fall, winter, and spring terms.

Add/Drop: Students may add or drop classes during the first two weeks of each term. The cost is \$10 per course after the third day of the term.

Advanced Placement: Advanced placement and/or credit may be granted to an entering student who has satisfactorily completed College Board Advanced Placement Examinations taken during high school.

Advanced Standing Report: A summary of courses and credits completed by a student at one postsecondary institution and accepted by another institution at the time of admission. The Advanced Standing Report is used to determine the number of required and elective credits needed to complete degree requirements.

Advisor: A faculty member appointed by the department or college to assist with the planning of academic programs.

Baccalaureate Core: The university's general education requirements consisting of skills courses; perspectives courses; difference, power and discrimination courses; synthesis courses; and writing intensive courses. A baccalaureate core course is designated with an asterisk, *, a writing intensive course with a caret, ^.

BA Degree: The Bachelor of Arts is conferred for a broad and liberal education in humanities, arts, social sciences, and sciences. College requirements provide (a) a breadth of preparation in these fields that is significantly greater than required of all undergraduates through the baccalaureate core; and (b) foreign language proficiency certified by the

Department of Foreign Languages and Literatures as equivalent to that attained at the end of the second year course in the language.

BFA Degree: The Bachelor of Fine Arts is a professional degree requiring a minimum of 105 credits in the visual arts.

BS Degree: The Bachelor of Science is conferred for focused curricula that emphasize scientific ways of knowing and quantitative approaches to understanding in the sciences and social sciences, and for curricula in professional fields.

Certificate Program (Undergraduate): A specified interdisciplinary program of study leading to an official certificate and notation on the transcript. A certificate program draws from more than one department, rather than a single department (as with minors). A certificate program must be taken in conjunction with a formal degree program.

College: A subdivision of the university offering degree programs within a specific subject area. For example, the College of Forestry offers degree programs in forest engineering, forest resources, forest science, and wood science and technology.

Commencement: A term used to refer to the graduation ceremony held in June.

Course: An organized unit of instruction or research. Types include lectures, recitations, laboratories, discussions, internships, clerkships, reading and conference, and independent study.

Course Reference Number (CRN): A five-digit number used to select a specific course, lab, and/or recitation.

Credit: The academic value assigned to a course based on the type and level of the subject material, as well as the expected number of hours spent on class preparation. One credit is generally given for three hours of work per week, in and out of class.

Curriculum: An organized program of study and courses required for a specific degree program.

Discipline: A field of study in which a student may concentrate, such as sociology, anthropology, or mathematics.

Electives: Courses that are not required as part of a degree program, but are generally chosen and used by the student to supplement or enrich the required curriculum.

Freshman: A student who has completed 44 or fewer term credits toward an undergraduate degree.

Academic Glossary (continued)

Grade Point Average (GPA): Total number of grade points received for A, A–, B+, B, B–, C+, C, C–, D+, D, D– or F grades divided by total number of credits attempted.

Grade Points: Quality points assigned for one term credit of each grade: A = 4.0; A– = 3.7; B+ = 3.3; B = 3; B– = 2.7; C+ = 2.3; C = 2.0; C– = 1.7; D+ = 1.3; D = 1; D– = .7; F = 0.0. Grades of I, P, N, S, U and W are not computed.

Grades: Letters used to indicate the quality of academic work completed in a given course: A, A–, B+, B, B–, C+, C, C–, D+, D, D–, F, I, S, U, P, N, W.
