FARM-AND-HOME HANDICRAFTS CLUB PROJECT

Circular No. 1.

Dear Handicraft Club Member:

You have been enrolled for the Farm-and-Home Handicrafts Club Project. A copy of the general rules governing all Club Work is enclosed. The special instructions for your project are given below.

1. *The Project.* (a) Each Club Member must do at least three of the Farm-and-Home enterprises listed on the last page of this circular.

(b) The work involved in any enterprise in this project must be in addition to that required in any other Club project the Club member may be carrying.

2. *What to do First.* Study the list carefully, then check the three enterprises that you wish to undertake; fill in your name and address and send this list to the State Club Leader.

As soon as you receive the plans you may begin work.

3. *Records.* (a) Save every Club circular or letter sent to you. Procure or construct a card-board or wooden box large enough to hold circulars of this size. The box should be three or four inches deep.

(b) Begin keeping in simple note-book form, a strict account of everything you do in connection with your work.

(c) Report cards will be sent to you from time to time. Fill these out and return by the date given on the card. The

return of these cards to the State Club Leader will insure your receiving the next instructions. In case we do not receive your cards we naturally presume that you do not want to continue in the work; therefore, we do not send you more instructions, reports, etc.

(d) A final Project Report Blank will be sent to you at the close of the contest, providing we receive your last report card, which is to be filled out and returned to the State Club Leader. No postage will be required. The Project Report will be a summary of the season's work, and will be easy to fill out if you keep your notes in order as your work progresses.

4. *Exhibits.* A drawing, photograph, or an exhibit of every thing made, repaired, or done as part of the project work will be required in all local, county, and State Club contests.

5. *Basis of Awards.* The awards in all Handicraft Club Contests will be as follows:

(a) Exhibit—(Usefulness and workmanship)		50
(b) Final Project Report (Report of the making of each article)	40	
Completeness and accuracy	10	50
		<hr/>
Possible score		100

For special information pertaining to any phase of your Club Project work, address

H. C. SEYMOUR,
State Club Leader.
Extension Service, Oregon Agricultural College,
Corvallis, Oregon.
