v1 nos 1 through 310: 3 My 1909-3 My 1910

Compiled 1974-1975 by Susan Taylor

The idea for this index was suggested by Arlene Ekle, Salt Lake City, Utah, at a seminar given by the Mid-Valley Genealogical Society May 1974.

This is an all name index, surname and given, in Volume I of our present daily G-T newspaper. Volume I started 3 May 1909 as the Daily Gazette and merged 1 July with the Daily Times to become the Daily Gazette Times. Some numbers are missing; nos 51-78 and nos 151-181 and nos 217-232. And one number is for 2 July and is v47n47 of 1909 and is bound in order with rest and means the numbering system had not been decided after the merger, I presume.

Codes: This is Volume I and is not repeated in individual code references. Each newspaper in a volume has consecutive numbers and the number of the newspaper in which a reference is found is given first. Then page number dash column number such as page 3 column 1 is noted as 3-1. This is followed by the date of the newspaper and the day of week.

Abbreviations used are b-born; f-father; m-mother; dau-daughter; s-son; mar-married; hse-house; hmedst-homestead; pruf-proof; d-died; dsd-deceased; Ob or obit-obituary; funr-funeral; bur-buried; (L) means real estate transfers either land or lot; (h)-house bought or sold; (ct)-court; natrlzn-naturalization; est-estate; df-death in family;

Titles such as Rev, Prof, Judge, Mr, Mrs, Ms and lower case words such as family, etc, are not surnames and rated as zero alpha and sometimes placed before beginning alpha of given names. Family relationships are given if available. Some items such as births are a little vague as to date. Cross referenced.
