A POLITICAL PATCHWORK

2017 Joint Recommendation

2018?

2019 – Big Bang?

Important issues

- Quota uplift
- Removal of Effort Regime (CRP)
- Choke species
- Exemptions
- Flexibility
- MCRS

Experience I

Baltic: Camera vs. Non-camera vessels

Pelagic: Clean fishery – so far, but...

**Industrial fisheries – clean
- change in behaviour**

North Sea demersal: No experience 2016

Experience II

Level playing field?

Danish minister:

**”We keep the fines in the back pocket
for the time being”**

Advice from control officers

The next few years

2017 – Beginning to bite

2018 - Getting worse

2019 - Chaotic

Political developments

Revision Article 15?

Fast "Positive Emergency" procedure

Brexit
