

# APPLE BUD DEVELOPMENT

A Guide for Timing Sprays and Dusts

**Delayed Dormant**

**Pre-Pink**

**Pink**

**Calyx or Petal Fall**

This sheet may be posted to use as a check on development of buds. Varieties vary in time and rate of bud growth. Therefore, each variety must be studied separately if spraying is to be most effective. Color plates courtesy E. I. du Pont de Nemours, Grasselli Chemicals Department.
