4-H BUILDS!

How?

COME WITH US . . .

Oregon State System of Higher Education
Federal Cooperative Extension Service
Oregon State College
Corvallis

Club Series A-44

February 1950

“ . . . the names were *WHERE* and
WHAT and *WHEN*, and *WHY* and
HOW and *WHO*” . . .

RUDYARD KIPLING

WHERE—Anywhere, rural or city, where interest and desire create a demand for this service.

WHAT—Boys and girls of the city or country learning to work and play together under skilled leadership.

A program that causes boys and girls to Think, Develop Their Skills, Grow in Character-building Qualities.

Learning by doing.

WHEN—By providing practical and interesting projects and activities for boys and girls for *the twelve years* when constructive influences mean so much—9 to 21.

In 4-H there are more than 25 projects for Oregon boys and girls—a project for any girl, any boy, any home, any farm.

WHY—To gain self-expression

To gain self-confidence

Build leadership in boys and girls

Have pride of ownership

Recognition for work done

To find abilities

To build sportsmanship

To create initiative

HOW—By obtaining from your own local County Extension Agent, all the information you desire about any 4-H project; and how to join 4-H.

—By starting a project and completing it. If qualified, the work may be shown at the community, county, and state fairs.

—By meeting together where we learn the rights of others.

WHO—You—who are the boys and girls in our cities and country. If you are 9 by January 1 of the year you wish to join, you can become a member of 4-H.

We have an emblem. It is the 4-leaf clover. It has on it the 4 H's. Those H's stand for HEAD, HEART, HANDS, HEALTH.

OUR PLEDGE IS:

I pledge my HEAD to clearer thinking;

My HEART to greater loyalty;

My HANDS to larger service;

My HEALTH to better living;

For my club, my community, and my country.

OUR MOTTO IS:

MAKE THE BEST BETTER—today we do our best;
tomorrow we try to make that best better.

WE LIKE 4-H

WE KNOW YOU WILL TOO

* Cooperative Extension Work in Agriculture and Home Economics, Oregon State College, and United States Department of Agriculture, cooperating. Wm. A. Schoenfeld, Director. Printed and distributed in furtherance of the Acts of Congress of May 8 and June 30, 1914.
