

LIST OF MANUFACTURERS AND DEALERS FOR
LOG AND LUMBER END COATINGS¹

The following partial list of end-coating manufacturers and dealers has been prepared merely for the information of correspondents and the inclusion of names in it implies no endorsement as to quality and prices. Names of dealers will be added to this list upon notification to the Forest Products Laboratory.

Local Supplies

Many end-coating materials can be obtained from local paint and varnish manufacturers and dealers, roofing suppliers, and grocery stores. Many of the companies listed below have branch offices. Kiln manufacturers also can supply end coatings. Local or nearby sources of supply should be checked before ordering small quantities from manufacturers.
