PARTIAL LIST OF REFERENCE WORKS ON PULP AND PAPER

Revised May 1959

No. 564
A PARTIAL LIST OF REFERENCE WORKS ON PULP AND PAPER

General information regarding pulp and paper making can often be obtained by consulting general encyclopedias and technical handbooks. These may be found in technical and general libraries, where it may also be possible to secure some of the following references specifically relating to this subject. However, if any of them are especially desired and cannot be obtained otherwise, they may be bought from the publishers or through the larger book dealers.

American paper and pulp association. The dictionary of paper; including pulps, boards, paper properties, and related papermaking terms. 2d ed. The Association, 1951. 393 p. $6.50.
